**Placement Report  
2019-2021**

Dr. Ramesh Bhat  
Vice Chancellor  
NMIMS Deemed-to-  
be University

Vice Chancellor's  
Message

It is a matter of pride and honor to conclude one of the best placement seasons in the 10-year old legacy of the School of Management, NMIMS Hyderabad. I express my gratitude to our loyal recruiters who have continuously put their faith in the mettle of our students and to our new recruiters, who have acknowledged the potential of our students and provided them with a plethora of opportunities. We strive to maintain student quality assiduously through both, a stringent entrance procedure and a rigorous course curriculum. The meticulous composition of the case-based course structure has resulted in the continued rise in the offers extended by our recruiters.

On behalf of NMIMS, I would like to thank our global alumni base, faculty, and management for their support and guidance in creating young future leaders.

I sincerely start by thanking our prestigious recruiters who have been the major reason for our constant growth in placement records over the years. This year we have achieved **100% placements** despite the economic turbulence due to the Covid pandemic. However, the corporate engagement has helped us to overcome the situation and facilitate in enhancing the average package significantly. We have been successful in spreading our reach across sectors such as FMCG, Pharma, IT, and Consulting by associating with over **40 new recruiters**.

Our present batch which is the youngest in the history of NMIMS Hyderabad with an **average age of 23**, has a perfect blend of talented students from a diverse spectrum of educational backgrounds, work experience, and areas of interest. We have a rich mix of students from over **20 states** who are trained to work with cross-cultural communities and teams. Also, the previous year was marked by our students excelling in national-level corporate challenges and achieving great heights by competing against leading b-schools across the country.

NMIMS Hyderabad's focus has always been to align its course with industry requirements and the students are trained to become corporate ready. Bearing this in mind, our engagement with **T-HUB, FICCI, FTCCI, CII & Global Compact Network India** has earmarked the presence in the Indian industry by participating in various research and executive development activities.

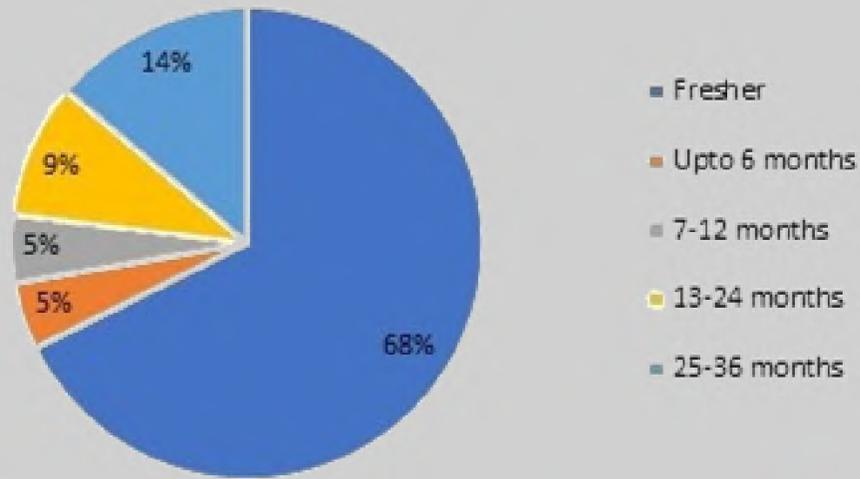

We take great pride in our corporate partners and constantly strive to make this relationship mutually beneficial and present to you the batch of 2022.

Dr. Tapan K. Panda  
Director  
NMIMS Hyderabad
