# STME Student Council 2024-25

Hello, I am Kistaram Manishankar Goud, the President of the School of Technology Management and Engineering (STME) at NMIMS. I collaborate closely with students, faculty, and administrators to develop initiatives that enhance the academic and extracurricular experience at STME. My efforts focus on creating an inclusive and innovative environment that encourages creativity, teamwork, and excellence across all areas of student life.

Being a part of NMIMS has been a transformative experience, offering countless opportunities to grow academically and professionally. The university's vibrant culture and emphasis on excellence have inspired me to contribute meaningfully to the community. Together, we aim to uphold NMIMS's values and establish a culture of innovation and collaboration that prepares us to excel in an ever-evolving world.

**Warm regards,**

I am K. Divya Sri Vice President, School of Technology Management and Engineering (STME) at NMIMS. It has been an incredible experience working with students, faculty, and the administration to create a supportive and collaborative environment at NMIMS. I believe in the power of teamwork and communication to make a meaningful impact in our community.

Throughout my time here, I've been inspired by the diversity and talent of my peers. My goal is to continue fostering an environment where everyone feels encouraged to contribute and reach their full potential. I'm excited to be part of the journey to create opportunities for growth and innovation at NMIMS.

**Warm regards,**
