About NMIMS Hyderabad

Established in 2010, NMIMS Hyderabad has made a niche for itself in the premier league of B-schools in a short period. NMIMS Hyderabad is the country's youngest B-school, having received AMBA accreditation in 2016 & re-accreditation in 2018 for the next five years, till 2023.

By achieving this, the Institute has secured its place among the country's elite group of 12 B-schools and 219 globally. NHRDN, India's largest network of HRD professionals, has ranked us No. 5 (2018-19) in the Emerging B-schools category.

NMIMS delivers Management Development Programs (MDPs) for middle and senior management executives, based on its extensive expertise. The programs include cutting-edge modules such as Business Analytics, which utilize complex technologies such as Statistical Analysis System (SAS), as well as simulations that help students build cutting-edge decision-making capabilities.

Director's Message

Narsee Monjee Institute of Management Studies, Hyderabad aspires to imbibe human values across its various stakeholders through creation and spreading of knowledge in the field of management. Entering its thirteenth year, the institute remains deeply rooted to its commitment on building a legacy of impacting quality of life in this region.

As innovation is essential to achieve the progress in modern world, we enjoy the flexibility to quickly respond to rapidly changing global socio-economic conditions and can efficiently adapt the best practices of leading business schools, as we go beyond the regular academic curricula with emphasis on practice. NMAT by GMAC enables B-schools to recruit the top talent to the comfort that test the skills needed to succeed in their programs. It gives the prospective students the confidence and edge to perform their best.

After successful International Student Exchange programs and International Research Conclaves, we became the 1st B-school in Hyderabad with AMBA accreditation and one of the top 5-emerging B-schools in India by NHRDN's People Matters ranking- 2017. Having said that, NMIMS Hyderabad is immensely grateful to corporates for the faith responded in us throughout the years, looking forward to building long term sustained relationship with you all.

Dr. Siddhartha Ghosh
Director, NMIMS Hyderabad
Ph. D (Artificial Intelligence)

Deputy Placement Director's Message

The Placement Cell at Narsee Monjee Institute Of Management Studies (NMIMS), Hyderabad, gives utmost importance to assist its students in getting suitable placements after the successful completion of their studies. This department is operated with twin-fold focus, i.e. augmenting internal competencies by fostering contemporary grooming of students and by enabling industry to identify and absorb intellectuals with requisite technical & managerial skills.

The only objective of NMIMS has been creating knowledge, influencing management practices, and global integration. The institute places special emphasis on inculcating corporate values and skills required for complex decision-making, besides developing superior expertise on functional domains and garnering business knowledge. It also plays a significant role throughout by conducting industry expert talk, skill development workshops, industrial projects, operational workouts and trainings. The institute has also developed a pool of highly experienced and qualified industry and academic professionals who regularly guide us in improving the teaching methodology, course content development as per industry requirement to ensure updated and required academic delivery.

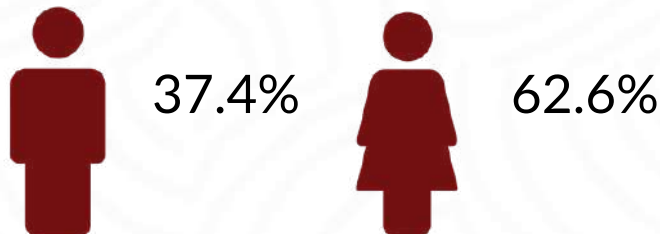

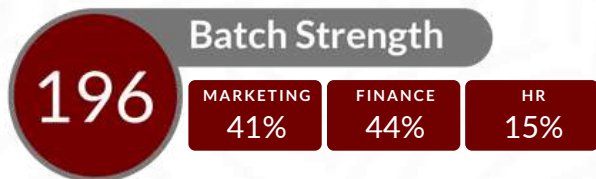

Ashish Kumar Pal
