NARSEE MONJEE INSTITUTE OF MANAGEMENT STUDIES, HYDERABAD
SCHOOL OF BUSINESS MANAGEMENT

ABOUT NMIMS HYDERABAD

Established in 2010, NMIMS Hyderabad has made a niche for itself in the premier league of B-schools in a short period. NMIMS Hyderabad is the country's youngest B-school, having received AMBA accreditation in 2016 & re-accreditation in 2018 for the next five years, till 2024.

By achieving this, the Institute has secured its place among the country's elite group of 12 B-schools and 219 globally. NHRDN, India's largest network of HRD professionals, has ranked us No. 5 (2018-19) in the Emerging B-schools category.

NMIMS delivers Management Development Programs (MDPs) for middle and senior management executives, based on its extensive expertise. The programs include cutting-edge modules such as Business Analytics, which utilize complex technologies such as Statistical Analysis System (SAS), as well as simulations that help students build cutting-edge decision-making capabilities.

**NIRF**

Only B-school in Telangana
for the year 2017

NOTE FROM MANAGEMENT

Dr. Suman Naredla

Director (Hyderabad Campus)
NMIMS Hyderabad

At NMIMS Hyderabad, we take immense pride in the achievements of our students, who continue to uphold the legacy of excellence that defines this institution. This year, I am delighted to share that 85% of our students have already secured placements, and we are confidently moving towards achieving 100% placement, as we consistently do year after year. This milestone is not merely a statistic—it is a reflection of the dedication, resilience, and talent that our students bring to every endeavor.

Each student who steps into the professional world carries the NMIMS brand with them. Their success stories are our greatest reward, for they embody the values of hard work, innovation, and integrity that we nurture on campus. Just as our students feel proud to be associated with NMIMS, we too feel an equal sense of pride in their accomplishments. Their contributions across diverse domains bring laurels to the university and strengthen our reputation as a hub of quality education and holistic development.

Placements are not the end of a journey but the beginning of a new chapter. As our students embark on careers in leading organizations, I am confident that they will continue to excel, adapt, and make meaningful contributions to society. The world today demands professionals who are not only skilled but also ethical, empathetic, and visionary. I believe our students are well prepared to meet these expectations and to create impact wherever they go.

On behalf of NMIMS Hyderabad, I extend my heartfelt congratulations to all our students. May your journey ahead be filled with success, growth, and fulfillment. Continue to shine, continue to inspire, and continue to make NMIMS proud.

NOTE FROM MANAGEMENT

Dr. Srividya Raghavan

Professor & Associate Dean
NMIMS Hyderabad

NMIMS Hyderabad marks its sixteenth year with a continued commitment to building a legacy rooted in management excellence. The institute's journey reflects a balance of academic rigour, innovation, and a strong emphasis on experiential learning. In today's rapidly evolving, VUCA-driven environment, adaptability and vision shape its approach. The curriculum is continuously aligned with global best practices, integrating leadership development, technological awareness, and practical application to ensure relevance in a changing business landscape.

Through NMAT by GMAC, a cohort of high-potential individuals is selected each year. The two-year MBA program is designed to develop analytical thinking, a global outlook, and a strong ethical foundation—preparing students to contribute meaningfully across industries. The fully residential 90-acre campus provides an ecosystem that encourages collaboration, critical thinking, and holistic growth. Consistent recognition among emerging B-schools, along with strong placement outcomes and corporate engagement, underscores this commitment.

Despite dynamic market conditions, students have demonstrated resilience and adaptability, translating preparation into strong placement outcomes. Appreciation is extended to the Placement Cell and recruiting partners for their continued support and trust. Engagement with NMIMS Hyderabad offers access to individuals who are not only industry-ready but also curious, agile, and driven to create meaningful impact from day one.

NOTE FROM MANAGEMENT

Dr. Ashwini Deshpande

Director In-charge
NMIMS Hyderabad

Mr. P. Vamsi Krishna

Director (Placements)
NMIMS Hyderabad

At NMIMS, our academic philosophy blends excellence, innovation, and societal impact across disciplines including Business Management, Law, Pharmacy & Technology Management, Commerce, and Engineering. We nurture industry-ready professionals equipped with technical skills, ethical awareness, and a collaborative mindset.

Our pedagogy emphasizes Research-Embedded Learning (REL) and Out-of-Class Academic Collaboration (OCAC), encouraging real-world problem-solving and interdisciplinary engagement. By integrating classroom learning with co-curricular and community experiences, supported by strong industry ties and mentorship, we ensure our graduates are capable, conscious, and ready to lead.

We warmly invite industry partners to collaborate in building a future-ready, inclusive, and innovative workforce.

Welcome to NMIMS for the final placement process of the 2026-27 batch. We are committed to shaping socially responsible, industry-ready professionals through value-based education, a multidisciplinary curriculum, and a strong emphasis on research, innovation, and critical thinking.

Our experienced faculty and proactive Placement Department foster holistic student development—personal, intellectual, and professional. Over the past 16 years, NMIMS has consistently met the hiring needs of top organizations and startups, building a robust network of 10,000+ alumni across sectors globally.

We're proud to continue this legacy and look forward to hosting your organization for campus recruitment of our talented MBA Students.
