Mark8Inc, the Marketing Club of SVKM's NMIMS Hyderabad, is the powerhouse of creative marketing minds, fostering innovation, strategic thinking, and brand excellence. The club curates dynamic events, industry interactions, and hands-on experiences that challenge students to think beyond textbooks and apply real-world marketing strategies.

Mark8Inc

Operencia

Operencia, the Operations Club at SVKM's NMIMS Hyderabad, is the driving force behind operational excellence and supply chain mastery. Focused on bridging the gap between theory and real-world applications, the club fosters analytical thinking, process optimization and strategic decision-making. Through industry visits, case competitions and insightful discussions, Operencia empowers students to navigate complex business challenges with precision and efficiency. With a commitment to innovation and excellence, the club plays a crucial role in shaping future operations leaders

HRizon

At HRizon, we create opportunities for students to explore, engage, and excel in the field of human resources. The club actively organizes and manages HR-focused events, career-building sessions, industry interactions, and fun, insightful activities that bring HR concepts to life. By bridging the gap between academics and industry, HRizon equips students with the skills and exposure needed to thrive in the evolving world of human resources.

The Communication Club of NMIMS Hyderabad is a dynamic platform for students to refine their public speaking, debating, and storytelling skills. The club fosters confidence, creativity, and persuasive communication through engaging workshops, speech contests, and interactive sessions. Whether you're an aspiring speaker, a passionate debater, or simply looking to enhance your articulation, Eloquence offers the perfect space to grow. With a blend of fun activities and skill-building exercises, we help students master the art of impactful communication.

Eloquence

Earthwise

The Sustainability Club at SVKM's NMIMS Hyderabad is committed to fostering a culture of sustainability and green living on campus. Focused on awareness about the SDGs, water conservation, recycling, and reusing resources, the club drives impactful initiatives that inspire students to adopt eco-friendly habits. Through engaging campaigns, plantation drives, and sustainability challenges, Earthwise actively promotes responsible consumption and environmental stewardship.
