ABOUT SVKM'S NMIMS

In 1981, Shri Vile Parle Kelavani Mandal (SVKM) established Narsee Monjee Institute of Management Studies (NMIMS) to meet the growing demand for management education. In 2003, NMIMS was declared a deemed to be University under Section 3 of the UGC Act, 1956. The Vision of the University is to be a globally admired University by 2030.

With a legacy of 46 years, NMIMS has grown to being not only one of the top-10 B-Schools in India but has also emerged as a multi-disciplinary, multi-campus University at Mumbai, Navi Mumbai, Indore, Shirpur, Dhule, Bengaluru, Hyderabad Chandigarh, Ahmedabad and seventeen constituent schools that include Management, Family Business, Engineering, Pharmacy, Architecture, Commerce, Economics, Law, Science, Liberal Arts, Design, Performing Arts, Mathematical Science, Agricultural Science, Hospitality Management, Branding & Advertising and Distance Learning. In addition, we have nine Centres of Excellence as well at the University.

With the consistent academic quality, research focus, faculty from top national and global institutes and strong industry linkages, NMIMS is placed amongst the nation's prime centres of educational excellence and research today. More than 25000+ students, about 800 full time faculty members, 10 faculty members with Fulbright Scholarship and Humboldt International Scholarship for post-doctoral research are part of India's most sought-after academic community.

ABOUT NMIMS Hyderabad

Established in 2010, NMIMS Hyderabad has rapidly carved a niche for itself among India's premier B-schools. In a short span, it has earned recognition for academic excellence, industry relevance, and holistic student development.

The institute achieved the prestigious Association of MBAs (AMBA) accreditation in 2016 and was re-accredited in 2018 for a five-year period, placing it among an elite group of B-schools globally. This distinction positions NMIMS Hyderabad among a select group of top institutions in India and across the world.

Ranked among the top emerging B-schools, NMIMS Hyderabad was recognized by National HRD Network (NHRDN) as No. 5 in the Emerging B-Schools category (2018–19), reflecting its growing reputation in management education.

Part of the legacy of Narsee Monjee Institute of Management Studies (NMIMS), established in 1981 by Shri Vile Parle Kelavani Mandal (SVKM), the Hyderabad campus benefits from a strong academic foundation and a rich heritage of excellence.

NMIMS Hyderabad offers industry-focused Management Development Programs (MDPs) tailored for middle and senior management professionals. These programs integrate contemporary modules such as Business Analytics, leveraging advanced tools like Statistical Analysis Systems (SAS), along with simulation-based learning to enhance strategic decision-making capabilities.

The institute is also approved by All India Council for Technical Education (AICTE), further reinforcing its commitment to quality education and academic standards.

Additionally, NMIMS's flagship schools continue to achieve national recognition, with SBM, Mumbai ranked 21st and ranked 10th in the National Institutional Ranking Framework (NIRF) 2023 rankings.

MESSAGE FROM DIRECTOR'S DESK

Dr. Suman Naredla

Director -NMIMS Hyderabad

At NMIMS Hyderabad, we take immense pride in the achievements of our students, who continue to uphold our legacy of excellence. Every graduate carries the NMIMS brand into the professional world with confidence and integrity. Their accomplishments reflect the values, knowledge, and skills nurtured during their academic journey. As they succeed across diverse industries, they strengthen the reputation of our institution. Their success is our greatest source of pride.

I am delighted to share that 85% of our students have already secured placements, and we are steadily progressing towards 100% placements, a benchmark we consistently strive to achieve. This milestone reflects the dedication, resilience, and talent of our students. It is also a testament to the unwavering support of our faculty, placement team, and industry partners. Together, we continue to create meaningful career opportunities.

Placements mark the beginning of a new journey rather than the end of one. Our graduates are prepared to excel in dynamic workplaces with professionalism, adaptability, and ethical values. They possess the knowledge and confidence required to meet evolving industry expectations. I am confident they will make valuable contributions to their organizations and society. Their journey will continue to inspire future generations of students.

MESSAGE FROM DEPUTY DIRECTOR'S DESK

Prof. (Dr.) Ashwini Deshpande

Deputy Director - NMIMS Hyderabad

After the phenomenal success of 2 pharma schools in Maharashtra SVKM's Narsee Monjee Institute of Management Studies (NMIMS) Hyderabad established The School of Pharmacy and Technology Management (SPTM) in the year 2019 with a vision to serve and promote and advance the nation's healthcare system. SPTM has been in the forefront of innovation in Pharmaceutical Sciences and Pharma Tech Management education. The Innovative Programme

at SPTM has a great potential to impact the Pharmaceutical Healthcare Industry.

SPTM aims to stay relevant to the requirements of society and industry hence revisits the design of its programme on a regular basis. As a result the programme's curriculum is continuously updated. It has also resulted in a stronger focus on the skills needed by industry today and in the future. Problem solving communication cognitive skills development and people skills development have been prioritized in the curriculum with experiential based learning.

The programme is so tailored that it suits needs of the industry and it equips students technically as well as commercially. The objective of education cannot be completed without the training support offered by the industry. Looking forward to your support in imparting quality education in the form of management internship to the upcoming managers.

ABOUT SCHOOL OF LAW

Established in 2019 by Narsee Monjee Institute of Management Studies, the School of Law (SOL) is committed to delivering high-quality legal education that addresses contemporary challenges in the legal landscape. The institution focuses on nurturing professional excellence while upholding strong societal values.

At SOL, a structured and well-planned academic framework is designed to equip students with the ability to effectively apply theoretical knowledge in practical scenarios. Over the course of five years, students develop essential legal skills that empower them to transform challenges into benchmarks and confidently navigate economic, social, political, and judicial complexities.

The School emphasizes holistic development through a blend of curricular and co-curricular activities. Experienced faculty members and dedicated support staff ensure that students integrate seamlessly into the program while actively participating in academic and professional events. The teaching pedagogy primarily includes case study analysis and classroom debates, fostering critical thinking and practical understanding. Additionally, SOL uniquely incorporates compulsory, credit-based internships and moot court exercises as integral components of the curriculum.

With the rapid evolution of the legal sector, there is an increasing demand for skilled legal advisors, jurists, and competent lawyers. Institutions today require robust legal aid systems to address emerging challenges and interpret evolving laws effectively. Recognizing this need, the LL.B. program at SOL is designed with a practical, industry-oriented approach. Students benefit from innovative teaching methodologies such as debates on current legal issues, presentations, skits, and court visits, creating an engaging and insightful learning environment.

The Legum Baccalaureus (LL.B.) program is offered in two specialized streams:

B.A., LL.B. (Hons.)

This program integrates core humanities subjects such as Sociology, Political Science, and Legal History. It is designed to enhance students' ability to analyze societal issues and interpret laws with a strong foundation in political and historical contexts.

B.B.A., LL.B. (Hons.)

This program combines legal education with core management subjects including Management, Marketing, and Accounting. It prepares students for the corporate world by developing adaptability, business acumen, and an understanding of dynamic organizational environments.

COURSE CURRICULUM

B.B.A., LLB. (Hons.) (Batch 2026 - 2031)

SEMESTER I

1. Principles of Management
2. Principles of Economics
3. Financial Accounting
4. Law of Torts
5. Legal Methods
6. General English
7. Language (Any One)
 - Hindi, Telugu, French.

SEMESTER II

OUR EVALUATION SYSTEM

The evaluation system at NMIMS comprises of examinations, research papers, viva, presentations, courtroom exercises and group projects. At the end of every semester, each student is marked out of a total of 100 for every subject.

Grading System

School of Law follows the following 'letter grades' and corresponding grade points' system

The difference between the maximum marks and pass marks is calculated and divided into slabs of nine letter grades (i.e. A+, A and A-, B+, B and C+, C and C-). Grading is done on the basis of marks obtained by a student in each subject which is thereafter fitted into the above slabs of letter grades.

Calculation of Grades Point Average (GPA):

Grade Point Average for a term is computed by dividing, the sum of product of grade point of each course/ module and credit value assigned, to each respective course by the sum of credits assigned to all the courses/ modules for the related term.

$$GPA = CG/C$$

C = Credit value assigned to a course / module.

G = Grade point value assigned to a student for course/module corresponding to the letter grade.

GRADE	POINT	CLASS INTERVAL OF MARKS	
A+	4	100%	85%
A	3.75	84.99%	81%
A-	3.5	80.99%	77%
B+	3.25	76.99%	73%
B	3	72.99%	69%
B-	2.75	68.99%	65%
C+	2.5	64.99%	61%
C	2.25	60.99%	57%
C-	2	56.99%	50%
D	1.5	49.99%	40%
F	0	39%	0
