04	Message from Deputy Director Placement	10	Committees & Clubs
05	Faculties 2024 -2026	11	Dean's List
06	Student Council	12	Messages from the Batch

Message from the Director

Dr. Suman Naredla
(Director)

Dear Alumni,

The N-Gage Alumni Engagement Yearbook 2026 is a celebration of the lifelong bond between NMIMS Hyderabad and its alumni, a bond that continues to strengthen and inspire with each passing year.

Our alumni represent the living spirit of NMIMS. You are the torchbearers of our values-excellence, innovation, and leadership-carrying them into diverse industries and communities across the globe. Whether leading enterprises, driving social impact, or mentoring future leaders, your journeys reflect the transformative power of education and the enduring legacy of NMIMS.

At NMIMS Hyderabad, alumni engagement is central to our vision. N-Gage 2026 embodies this philosophy by offering a platform to share success stories, celebrate milestones, and foster collaboration. The Alumni Committee has played a vital role in nurturing this ecosystem of belonging.

Your efforts have created a vibrant network that enriches both the institution and the individuals who are part of it.

As Director, I see alumni engagement as a cornerstone of our growth strategy. Your insights and involvement are invaluable as we continue to strengthen NMIMS Hyderabad's reputation as a hub of excellence.

To our recent graduates, I encourage you to remain actively connected and contribute to this dynamic network. To our seasoned alumni, I extend heartfelt gratitude for your continued support and for carrying the NMIMS name with pride across the globe.

Let N-Gage 2026 serve as a reminder that while time may move us to different places, our shared values and experiences keep us united. Together, let us continue to inspire, engage, and create meaningful impact.

Message from the Deputy Registrar

Dr. N Mahesh Kumar
(Deputy Registrar)

An institution's relationship with its students does not end with graduation. In many ways, graduation marks the beginning of a new relationship- one in which our alumni become ambassadors, mentors, collaborators, and an enduring part of the NMIMS Hyderabad community.

N-gage represents this spirit beautifully. It creates a meaningful bridge between our alumni, current students, faculty, and the institution, allowing experiences to be shared, professional relationships to grow, and memories of campus life to remain alive. I am particularly happy to see our students taking the initiative to strengthen this bond and build a vibrant alumni network for SBM Hyderabad.

As NMIMS Hyderabad continues to grow, our alumni will have an increasingly important role in shaping its journey.

Your achievements in the professional world, your willingness to mentor younger students, your industry insights, and above all, your continued connection with your alma mater contribute immensely to the institution we aspire to build.

To our alumni, I would simply say, wherever your journey takes you, NMIMS Hyderabad will always remain a place to which you belong. Stay connected, share your experiences, celebrate one another's achievements, and continue to strengthen the Engage community.

I congratulate the Engage team for putting together this Yearbook and for their efforts in nurturing the alumni network of SBM Hyderabad. I wish Engage and all our alumni continued success in the years ahead.

Message from the Associate Dean

Dr. Srividya Raghavan
(Associate Dean)

Every graduating class leaves behind its own mark, and yours is one defined by diligence, ambition, and remarkable growth. Each one of you have embraced opportunities and contributed to a vibrant academic community. It has been a privilege to watch you evolve, not only as management students preparing for successful careers, but as individuals who have bloomed in confidence and purpose. Over the past two years, you have immersed in rigorous coursework, navigated complex business dynamics, collaborated with diverse teams, and exerted yourselves outside of your comfort zones. I hope that each of these experiences have strengthened not only your managerial capabilities but also your ability to adapt, innovate, and lead in an increasingly dynamic global business environment. As future managers, entrepreneurs, consultants, and business leaders, you carry with you a responsibility that extends beyond organisational success.

The decisions you make will influence industries and create lasting societal impact. I encourage you to lead with integrity and embrace every challenge as an opportunity to learn. The most successful professionals are not those who have all the answers, but those who continue to ask the right questions and evolve with changing times.

While you leave the campus as graduates, you will always remain a valued part of our institution's legacy. I hope the friendships you have built, the lessons you have learned, and the memories you have created here will stay with you for years to come.

On behalf of the entire institution, I extend my heartfelt congratulations and best wishes to each one of you. May your journey be filled with purpose, excellence, and fulfilment. Continue to dream boldly, work diligently, and make us proud wherever life takes you. Most importantly keep returning to you alma mater. We would love to see you back.

Message from the Deputy Director - Placements

P. Vamsi Krishna
(Deputy Director -
Placements)

We at NMIMS empower students through value-based education, fostering critical thinking, innovation, and a spirit of continuous learning.

Our multidisciplinary curriculum, supported by a distinguished faculty, prepares students to become industry-ready professionals capable of creating meaningful impact.

Our rigorous NMIMS entrance process (NMAT) brings together talented and driven individuals who are ready to learn, grow, and challenge themselves. With a strong emphasis on experiential learning and industry exposure, we equip our students with the skills and perspectives needed to excel in an evolving business landscape. Over the past 15 years, leading organizations and start-ups have consistently placed their trust in NMIMS for nurturing capable talent.

Interacting with these future leaders has given me immense confidence in their potential and reinforced my belief that they are well prepared to make a meaningful impact in their respective fields. As they embark on the next chapter of their journey, I wish them continued growth, success, and the courage to pursue their aspirations.

Faculties 2024-26

Dr. Srividya Raghavan

Dr. Narender Vunyale

Dr. Sasmita Misra

Dr. Dileep Kumar Singh

Dr. Umakanta Nayak

Dr. Raeesabegam Usmani

Dr. Shadman Zafar

Dr. Showkat Ahmad Busru

Faculties 2024-26

Dr. Anup Raj

Dr. Murtuza Soofi Mohammed

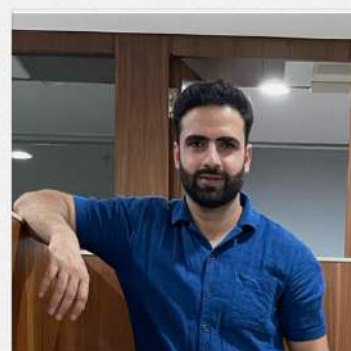

Dr. Abhilash Ponnamp

Dr. Vengalarao Pachava

Dr. Madhurima Basu

Dr. Irfan Rashid Ganie

Dr. Binay Rajak

Dr. Srividya Raghavan
(Associate Dean)

Dear Students, it has been a privilege to mentor and witness your journey over these past two years. Every challenge you embraced and every milestone you achieved has reflected your resilience, curiosity, and determination to grow.

As you step into the professional world, carry forward not only the knowledge you have gained, but also the values, friendships, and experiences that have shaped you. Stay humble in success, steadfast in adversity, and never stop learning.

I wish each one of you happiness, fulfilment, and great success in all that lies ahead.

Dear Graduates, As you step into the professional world, remember success isn't just about goals it's about your journey. Your batch has shown incredible spirit in learning, competing, and leading on campus. Channel that energy with purpose. Keep learning, stay curious, and never lose the spark that brought you here. Wishing you a bright and fulfilling future!

Dr. Narendra Vunyale
(Associate Professor)

Dr. Sasmita Misra
(Assistant professor)

As you step out into the world today, I want to leave you with one simple truth. Over the past few years, we have worked hard, solved problems, and prepared you for the professional path ahead, giving you the tools, strategies, and skills you need to succeed. Now, the real journey begins. Always stay curious by never stopping learning and asking questions, as the best ideas come from staying open to the world around you. Remember that hard work, effort, and persistence will take you much further than talent alone. Above all, stay true to yourself by bringing your unique voice and integrity to everything you do. You are ready for this next step, so trust yourselves, keep moving forward, and do great things.

To Our Wonderful Senior Batch, as you turn the page to a new chapter, we celebrate not just your academic journey but the remarkable spirit you brought to our campus. Your enthusiasm, creativity, and willingness to take initiative have left a lasting impact on the NMIMS community.

From organising engaging Fireside Chats to creating memorable experiences through Nirvana and other student-led initiatives, you showed that leadership is about inspiring others, building communities, and creating opportunities for learning beyond the classroom.

The legacy you leave behind is in the relationships you built, the ideas you championed, and the difference you made.

Dr. Dileep Kumar Singh
(Assistant professor)

Dr. Umakanta Nayak
(Assistant Professor)

Goodbyes are never easy they remind us of change and the emotions that come with it. But just like a butterfly emerges with wings to soar, it's time for us to embrace new beginnings. As we move forward, we carry the memories, growth, and bonds we've built. This may be goodbye, but it's also the start of a beautiful journey ahead. Wishing you all the best- farewell and fly high!

Batch 2024-26, as you step into a new chapter of life, you leave behind a legacy of excellence, integrity, and inspiration. Throughout your journey, you have demonstrated intelligence, discipline, and a deep respect for your teachers, peers, and the institution. Your enthusiasm extended well beyond academics, as you actively participated in co-curricular and extracurricular activities, enriching the campus with your talent, leadership, and team spirit. I wish you a future filled with happiness, purpose, and countless accomplishments. Congratulations, and may you always make your alma mater proud.

Dr. Raeesabegam Usmani
(Assistant Professor)

Dr. Shadman Zafar
(Assistant Professor)

Economics teaches us that every choice has an opportunity cost. As you step into the world, choose not merely what pays well, but what creates value for yourself, for others, and for society. May your returns be measured not only in income, but in impact.

Congratulations on this well-earned achievement! It's been a pleasure guiding many of you through hands-on projects from portfolio models to real company financial analysis watching you turn concepts into practical insight. Beyond academics, your energy in sports, cultural events, and campus life added so much to this journey, building teamwork and memories that will stay with you. Carry that same curiosity and spirit forward. Wishing you a bright and fulfilling future.

Dr. Showkat Busru
(Assistant Professor)

Dr. Anup Raj
(Assistant Professor)

Congratulations to the passing out batch as you step into the corporate world. To truly thrive in your careers, remember that the corporate landscape rewards a different playbook than college, requiring you to shift from a mindset of earning grades to one of creating value. Your technical skills will open doors, but your ability to communicate clearly, collaborate across diverse teams, and adapt to sudden market shifts will define your long-term success. Do not wait for instructions; instead, take ownership of your professional growth by taking the initiative, seeking out constructive feedback, and viewing every setback as a valuable data point for improvement. Build genuine professional networks based on mutual respect, protect your workplace integrity, and approach every challenge with the curiosity of a lifelong learner.

Dear Graduating Class of 2024–26,
Graduation is often seen as the end of a journey, but in many ways, it is simply the beginning of a new one.

You'll carry the friendships that made difficult days easier, the lessons learned from failures as much as successes, the late-night deadlines, the presentations that didn't go as planned, and the moments that quietly shaped who you are. Years from now, these are the memories that will stay with you.

Success is about having the courage to begin again, with a little more wisdom and a little more humility each time.

Be kind to people. Stay curious. I wish each of you happiness, good health, and the confidence to embrace whatever comes next.

Congratulations and welcome to the NMIMS alumni family.

Dr. Murtuza Soofi Mohammed
(Assistant Professor)

Dr. Ponnamm Abhilash
(Assistant Professor)

Class of 2025, you taught me as much as I hoped to teach you. Keep the 1% mindset - small steps, big impact. Though I've moved on, I'm rooting for every one of you. It was an honor to be a small part of your MBA journey. You are resilient, ambitious, and ready for the world. All the best for what's next. May God bless you all abundantly.

Dear Students,

In Artificial Intelligence, a model is valued not only for its performance, but also for its reliability and validity. A model earns trust only when it delivers accurate and dependable results consistently across different situations. Life is no different. Success is not defined by a single achievement, but by the trust you build through your character and actions. Your talent may open doors, but your reliability and integrity will keep them open.

Dr. Vengalarao Pachava
(Assistant Professor)

Dr. Madhurima Basu
(Assistant Professor)

Watching you grow over the last two years has been one of the most rewarding parts of my journey as a professor. You were my very first batch - the students who unknowingly became a part of my own story. And no matter how many students I teach in the years to come, there will always be something uniquely special about you.

May your dreams be bigger than your fears, your actions louder than your words and your journey richer than your expectations.

Go make your story extraordinary. I'll always be cheering for you.

You made my journey in the campus truly memorable. Whether it was teaching you inside the classroom, interacting with you outside it, or sharing the cricket field with many of you, every moment has been special. And yes, some of you appealed for LBW with such confidence that even the umpire would have second thoughts!

As you step into a new chapter of life, remember that success is much like a cricket match, you won't score a century by defending every ball.

Thank you for the memories, the laughter, the conversations, and the matches. Keep making your family and your alma mater proud. And if we meet again on the cricket field, don't expect any easy runs I still believe I've got a few good overs left in me!

God bless you all. Keep smiling, keep growing, and keep making a difference wherever life takes you.

Dr. Irfan Rashid Ganie
(Assistant Professor)

Dr. Binay Rajak
(Assistant Professor)

You came here as students and leave as professionals, ready to make your mark. Dream big, work hard, stay curious, and never stop learning. Life may not always offer a well-defined model or a perfect solution, so navigate your choices, constraints, and uncertainties wisely.

Set ambitious goals, make your decisions count, embrace challenges, learn from failures, and always remain grounded. Keep learning, growing, and exploring. Optimize not just for success, but also for happiness, purpose, and impact. Moreover, remember, never settle for a local optimum when a global one may be waiting for you.

Make your alma mater proud and, more importantly, make yourself proud. Wishing you an extraordinary journey ahead!

STUDENT COUNCIL 2026

Krishna Jain, President

If there is one thing this journey as President taught me, it is patience. Not everything happens when you want it to happen, but if you keep working consistently and trust the process, things eventually fall into place. I also learned that leadership is not about giving orders; it is about listening to people, taking decisions together, standing by your team, and being there for them when they need you the most. Whatever we achieve is never an individual effort - it is always a team effort. My advice to the next leaders would be simple: be patient, be humble, and always listen to people. Stand by your team and the people who trust you. Never let positions, recognition, or temporary gains come before your values and relationships. Learn to keep your personal and professional life separate, but never stop being there for your friends and the people who support you. At the end of the day, titles come and go, but the people you meet and the relationships you build stay with you forever.

Vaishali Nair, Vice President

My journey in the Student Council taught me that actions matter more than words. I learned how to deal with all kinds of people- even difficult ones- by staying calm, confident, and clear about what I stand for. There were times when it would have been easier to just agree or follow others, but I realized that leadership is about having your own voice and not becoming just a shadow. What I would like to pass on is: don't wait for validation and don't be afraid to stand your ground. Trust yourself, handle situations practically, and speak up even when it's uncomfortable. You don't always have to follow the crowd- sometimes, the right thing is to lead your own way.

Harshit Dubey, General Secretary

In my Student Council experience as the General Secretary of NMIMS Hyderabad, I have learned the importance of collaboration, accountability, and teamwork. A significant success was the increased collaboration with other clubs, committees and departments to achieve greater impact in initiatives and provide a unified student experience. What I tell future leaders is that they must cooperate, communicate and look at the opportunities to help each other to achieve greater success and results. It takes team effort, not individual effort.

T J Sai Charan, Treasurer

My journey in the Student Council taught me the importance of leadership, teamwork, accountability, and effective communication. It showed me that leadership is not just about holding a position but about taking initiative, supporting others, and creating a positive impact. I learned how to manage responsibilities, work with diverse teams, and handle challenges with patience and adaptability. What I would like to pass on is the value of staying committed, being approachable, and always putting the interests of the student community first. Small efforts made consistently can create a lasting difference, and every challenge is an opportunity to learn and grow.

PLACEMENT COMMITTEE 2026

Aakriti Singh, SPC

Serving on the Senior Placement Committee has been one of the most defining experiences of my MBA journey. It taught me that true leadership is about taking responsibility, staying calm under pressure, and always putting the team's success before your own.

Aakshata Khanna, SPC

This journey taught me that every challenge is an opportunity to learn. The long hours, difficult decisions, and unexpected situations helped me become more resilient, adaptable, and confident in my abilities.

Anchit Kumar Ghosh, SPC

Being a part of the Senior Placement Committee showed me that success isn't achieved alone. Trust your team, communicate openly, and always remember that collaboration is the foundation of every accomplishment.

Anku Garg, SPC

One of the biggest lessons I take away is the importance of ownership. No task is too small when you're working toward a larger purpose. Give your best to everything you do, and the results will follow.

Archit Malhotra, SPC

This role taught me that professionalism goes beyond formal conversations-it's reflected in your attitude, your commitment, and the way you treat people. Lead with integrity, and opportunities will follow.

Avni Bhandari, SPC

The Placement Committee journey was filled with learning, challenges, and growth. It taught me to negotiate with confidence, stay persistent through setbacks, and view rejections as opportunities to learn and improve. The real-world exposure made every experience worthwhile. My message to those who follow: trust the process, stay consistent, and never let a rejection define your potential.

Het Prajapati, SPC

My journey in the Placement Committee taught me that the best leaders are those who can also be trusted as friends. Being approachable, supporting others whenever possible, and genuinely wanting the best for your peers always comes back in meaningful ways. It also reinforced the importance of staying resilient, humble, and patient-whether you're navigating difficult challenges or celebrating successes. Those qualities not only make you a better leader but also make the entire journey more rewarding.

Himshrey Abhinna, SPC

Behind every successful placement season are countless unseen efforts. This experience reminded me that the most meaningful contributions are often the ones that happen behind the scenes. Stay humble, stay committed, and keep showing up.

Liza Rajput, SPC

If there's one thing I'd like to pass on, it's this: don't be afraid of responsibility. The moments that challenge you the most are often the ones that help you grow the most.

Mayura Bhandarkar, SPC

My biggest takeaway was that trust and consistency matter more than titles, and that's what I'd like to pass on.

**Nikhil Sharma, SPC**

It taught me that instead of complaining about your constraints you should treat them as an opportunity to learn. I would like to pass on that even your haters start liking you if you are genuinely working hard. Instead of working for any reward, you should focus on excellence and the amount of satisfaction you will get is the real reward.

Nikhilendra Pratap Singh, SPC

What began as a responsibility became one of the most transformative chapters of my MBA. As Senior Placement Coordinator, I learned that teamwork, perseverance, and purpose can turn challenges into success.

**Nikita Garg, SPC**

A journey of countless calls, endless follow-ups, and unwavering commitment—every effort was worth it.

Proud to have served as Senior Placement Coordinator, contributing to the careers of my fellow students.

Sai Sahana, SPC

My journey in the Placement Committee taught me that consistency and smart work make a huge difference. I learned the importance of communication, teamwork, and taking initiative rather than waiting for things to happen. It also showed me that building good relationships and staying calm during challenging situations are valuable skills. If there's one thing I'd like to pass on, it's to stay consistent, keep learning, and trust the process-even small efforts add up over time.

Soniha Reddy, SPC

Meeting leaders from different companies changes the way you perceive life. I would recommend every student should experience this in life, and learn broader sense about situations in life.

Sruthi R, SPC

The journey taught me how difficult situations are the best way to become a better person. Getting out of your comfort zone will help you reach greater heights that you never knew you could reach. I would like to pass on a piece of advice - Take initiative, be hardworking, respectful and gentle, it will help you reach great things in life.

Tanveer Khanum, SPC

There were days when an interview schedule would change three times before lunch, HRs would disappear when we needed them the most, students would keep asking for updates that we ourselves were waiting for, and somehow, by the end of the day, everything would still fall into place. I spent a lot of time working with trackers, batch profiles, student data, recruiter coordination, and what felt like an unlimited number of Outlook mails. It wasn't glamorous, but it gave me a front-row seat to how much effort goes into creating even one opportunity.

Vrushali Gaikwad, SPC

Working as an SPC member taught me that every interaction matters. Be approachable, be dependable, and treat everyone with respect—you never know the impact a small gesture can have.

Wamika Roy, SPC

This experience has been one of the most demanding and defining parts of my MBA. Early mornings, late nights, constant coordination, and moments that truly pushed me, I've learned more than I expected. One thing I learned as a PlaceCommer is you don't have to fit the stereotype to belong; I stayed true to who I am, and that brought me respect and genuine connections. To my SPC team, thank you for being more than just a team. I'm walking away with some really great friends.

ACADEMIC COUNCIL 2026

Akash R, HR SPOC

Serving as the HR SPOC has been one of the most rewarding experiences of my MBA journey. This role taught me the importance of responsibility, resilience, communication, and leading with empathy. Working closely with students and recruiters showed me that every interaction matters and that true leadership lies in creating opportunities for others. If there's one thing I'd like to pass on, it's this: take ownership, stay professional, support those around you, and always strive to leave the role better than you found it.

Aviral Lal, Operations and Analytics SPOC

My journey in the Academic Council as a SPOC taught me the importance of leadership, teamwork, effective communication, and taking responsibility. Working closely with students, faculty, and the administration helped me understand that even small efforts can create a meaningful impact when done consistently and collaboratively. I would like to pass on the value of staying proactive, supporting others, and embracing challenges as opportunities to learn and grow.

"Leave every role better than you found it, and success will naturally follow."

Gurdeep Singh Saluja, Finance SPOC

My journey in the Academic Council taught me that leadership is much more about listening, collaborating, and taking responsibility than simply holding a position. I learned how to balance different perspectives, work with faculty and students, and ensure that concerns were communicated effectively. It also helped me improve my communication, teamwork, and problem-solving skills while staying calm under pressure.

Rakshit Sharma, Marketing SPOC

My Journey was filled with many ups and downs and the learnings that I got out of it are immeasurable and the only thing I would like to pass on is that always be a "Sponge" hard from one end to stand up for yourself whenever needed and soft from the other to soak up all the knowledge and information from wherever you could get it and flexible throughout to not break under any pressure.

Shubham Singh, Business Strategy SPOC

I got to live and breathe strategy, operating at the intersection of a dynamic student body and multiple faculty members. The role sharpened my knack for bridging communication gaps and navigating complex organisational dynamics. It was an extremely rewarding experience that proved that executing strategy in the real world is all about people, chemistry and keeping everyone aligned.

ACADMIMUM

Eshan Bhattad
Co-Head

Soumya Mishra
Co-Head

Serving as the Co-Heads of Acadmium has taught us that growth often comes from embracing uncertainty. Things don't always go as planned, and every challenge brings an opportunity to adapt, learn, and improve. Throughout our journey, we realized that flexibility, resilience, and a positive mindset are just as important as careful planning. Working together, navigating unexpected situations, and finding solutions as a team helped us grow both as leaders and individuals. If there's one message we'd like to pass on, it's this: trust the process, stay open to learning, support one another, and don't be afraid when things don't go according to plan. Sometimes, the best experiences and the greatest lessons come from simply adapting, going with the flow, and making the most of every opportunity.

HOSTEL COMMITTEE

Rushab Kasture
Co-Head

Sneha Poddar Dhar
Co-Head

Hostel Committee taught us how to be a leader. How to handle issues, communicate with respective stakeholders, resolve conflicts, and mainly, to adapt to leadership qualities for the greater good of the committee as well as the organisation.

INSPIRE

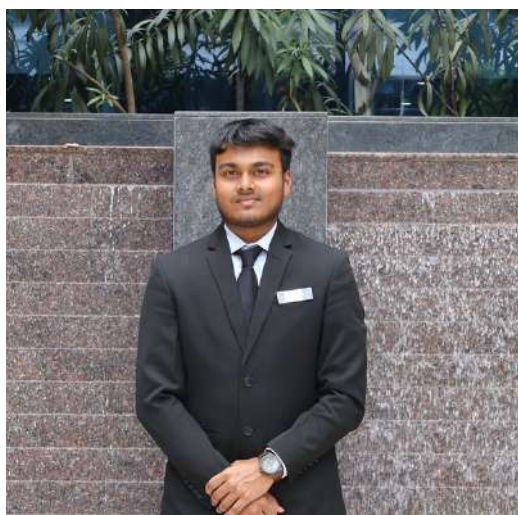

Aman Shah
Co-Head

Rhea Thomas
Co-Head

Being the founding team of INSPIRE taught us the value of taking initiative, experimenting, and building something from the ground up. Without a rulebook to follow, we relied on curiosity, teamwork, and trust to shape the committee's vision, processes, and identity. One of our proudest achievements was onboarding over 15 industry mentors who guided students through impactful mentorship sessions. This journey strengthened our leadership, communication, stakeholder management, and adaptability while reinforcing that meaningful impact comes from empowering others and working towards a shared goal. If there's one lesson we'd like to pass on, it's this: don't be afraid to take initiative, embrace challenges with patience, trust your team, and remember that the greatest successes are always built collectively.

NIRVANA

Aryan Gupta
Co-Head

Bhargavi Rustogi
Co-Head

Our journey in the committee taught us that leadership is not just about achieving perfection or success in every task. True leadership is about keeping the team together with clear communication, mutual trust, and no conflict of interest. It's about creating an environment where everyone grows together, supports each other, and works towards a common goal. Because in the end, if we win, we win together, and if we fall, we rise together again, stronger than before.

NISHCHAY

Preethi Ilango
Co-Head

Simran Adlakha
Co-Head

Being a part of Nishchay and leading it as Co-Heads has been one of the most fulfilling experiences of our journey at NMIMS. More than just a committee, Nishchay became a home where purpose, empathy, and teamwork came together to create meaningful and lasting impact. Through initiatives like WeCare, we worked towards 100% internship placement for the MBA Batch 2025–27 in corporate CSR roles while building strong partnerships with organizations such as Bisleri, Bata, PVR, and Apollo Hospitals. More importantly, this journey taught us that leadership is about taking ownership, showing up consistently, investing in people, and recognizing that even the smallest efforts can create the biggest impact. If there's one thing we'd like to pass on, it's this: step up, lead with sincerity and kindness, and remember that what you build-and who you build it with-will define your journey.

N-GAGE

Shubham Somani
Co-Head

Khushi Malik
Co-Head

Being a part of N-Gage throughout our MBA journey and leading it as Co-Heads has been an incredibly rewarding experience. From growing as junior members to taking on leadership responsibilities, we learned that meaningful connections are built through consistent effort, collaboration, and genuine relationships. Working closely with our alumni, organizing events, and engaging with diverse stakeholders helped us strengthen the bond between the college and its alumni while developing invaluable leadership, communication, and problem-solving skills. We truly believe N-Gage has the potential to become one of the strongest pillars of the institution by fostering lifelong industry and alumni connections. If there's one thing we'd like to pass on, it's this: take ownership, build relationships with sincerity, work together as one team, and always leave the committee stronger than you found it.

PRSM

Muskan Saraf
Co-Head

Sampriti Joseph
Co-Head

Our journey as Co-Heads of PRSM showed us that great communication goes far beyond words and visuals-it is about creating connections, building trust, and telling stories that people remember. Every design, caption, campaign, and event taught us the value of collaboration, innovation, and consistency. We discovered that the strongest teams are built on mutual support and shared vision. As you take this journey forward, don't just create content-create impact. Stay curious, think creatively, and always strive to leave the committee stronger than you found it.

SKYLAR

Pratham Thareja
Co-Head

Manvi Godavarthy
Co-Head

Our journey as Co-Heads at Skylar has been truly amazing. It has made us more mature and taught us that even the smallest details can make a huge difference. We learned the importance of planning and how things can quickly go wrong when you're not prepared. What we loved most about Skylar was the people. It never felt like just a committee; it felt like a family. Our goal was always simple: to give students, who were often stressed with exams, assignments, and presentations, an experience they could genuinely enjoy. One thing we would like to pass on is that Skylar doesn't belong to any one person. It's not our committee or anyone else's committee; it belongs to all of us. Keep everyone together, support each other, and most importantly, enjoy the process.

EARTHWISE

Klevin Pascal
Co-Head

Khushi Naib
Co-Head

Our journey with Earthwise has been a defining experience in understanding responsible leadership and the tangible impact of consistent, mindful actions. It strengthened our ability to collaborate, take ownership of initiatives, and translate ideas into meaningful, on-ground impact through awareness and engagement. More importantly, it has shaped our perspective that sustainability goes beyond activities or events, it is a way of thinking and decision-making. If there is one thing we would pass on, it is to stay intentional, focus on long-term value, and lead in a way that inspires others to act responsibly.

E-CELL

Karthik Venkatesh
Executive Head

Anshi Tiwari
Coordinator

Our journey as Co-Heads of E-Cell taught us that innovation begins with curiosity and grows through perseverance. The club gave us the opportunity to create, experiment, collaborate, and learn from both successes and setbacks. More than organizing events, we cultivated a mindset of problem-solving, leadership, and continuous learning. As you take this journey forward, don't hesitate to challenge the status quo, embrace uncertainty, and support those around you. The best ideas are built by teams that believe in each other and have the courage to keep moving forward.

ELOQUENCE

Aman Singh
Co-Head

Maria Vijay
Co-Head

This journey has taught us that teamwork drives success. The people you choose to work with can shape your growth and future, so choose your teammates wisely and always support each other. I'd like to pass on the message that ever tried ever failed, try again fail again, fail better. The world is all yours to conquer. Treat everyone kindly and live your life to the fullest.

FINNACLE

Harshit Kalra
Co-Head

Siddhi Shirke
Co-Head

Our journey at Finnacle has been both enriching and transformative. As a team, we contributed to end-to-end event execution, from planning and coordination to overcoming last-minute challenges, while organizing guest lectures and discussions that helped us build meaningful professional connections. These experiences strengthened our confidence, communication, time management, and ability to collaborate across different teams. A standout moment was successfully delivering the Fireside Chat despite tight deadlines, reinforcing the value of teamwork, adaptability, and staying composed under pressure. Above all, Finnacle taught us to take initiative, communicate proactively, and prioritize collective success over individual recognition-lessons we will carry forward in both our personal and professional journeys.

HRIZON

Devdarshan M
Co-Head

Meghna Nair
Co-Head

Our journey in the club taught us the true value of leadership, teamwork, and accountability. We learned to prioritize responsibilities, collaborate effectively, build professional networks, and confidently connect with industry leaders while meeting deadlines. Being part of the Fireside Chat events was one of the most memorable highlights of our journey. More importantly, we realized that people always come before tasks-when a team feels heard, supported, and valued, the results naturally follow. We also learned that not every effort leads to immediate success, but consistently showing up, staying resilient, and trusting the process eventually brings everything together. These are the values we hope to pass on to future members.

INTELLECTIA

Himanish Mudgal
Co-Head

Anushka Kolhatkar
Co-Head

We learned how to handle different situations with a calmer and more thoughtful approach. Even when we were unsure, this journey taught us to step back, reflect, and think from the right perspective. What We'd like to pass on is to stay adaptable, trust the process, and remember that every challenge is an opportunity to learn and grow.

MARK8INC

Sarika Nangia
Co-Head

Ashima Modi
Co-Head

One of the biggest lessons from this journey is that your team is the strongest resource of any club. When you build a supportive environment, trust your team, and work together towards a common goal, even the toughest challenges become easier to overcome. A strong team can turn any obstacle into an opportunity.

OPERENCIA

Vishruth Reddy
Co-Head

Karishma Guglani
Co-Head

Being a part of Operencia has been a journey of continuous learning and growth. It taught us the importance of effective coordination, teamwork, clear communication, and working with a shared vision to achieve common goals. Managing multiple responsibilities, collaborating with different teams, and ensuring smooth execution of events helped us develop stronger organizational, leadership, and problem-solving skills. More importantly, it showed us that success comes from planning well, trusting your team, and supporting one another through every challenge. If there's one thing we'd like to pass on, it's this: communicate openly, take ownership of your responsibilities, and always remember that a united team with a common purpose can accomplish far more than individuals working alone.

THE BATCH OF

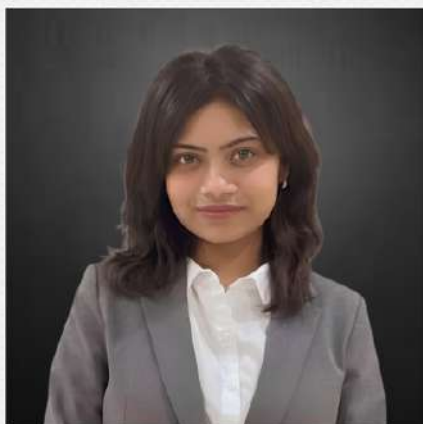

2024 - 26

As you turn the page on your journey at NMIMS Hyderabad, you carry with you more than a degree. You take forward the experiences, friendships, challenges, and lessons that have shaped these two memorable years. Stepping into the professional world, we hope you remember that success is not defined only by the positions you hold or the milestones you achieve. It is also measured by the people you uplift, the decisions you stand by, the values you carry, and the difference you choose to make.

Your time at NMIMS Hyderabad may have come to an end, but your connection with it does not. Wherever the future takes you, you will always be a part of the NMIMS Hyderabad story.

With pride and best wishes,
NMIMS Hyderabad

BATCH OF 2024 - 2026

Ankita Mohanty

These two years felt like a rollercoaster of deadlines, breakdowns, laughter, friendships, and growth- chaotic at every turn, but somehow still one of the best rides of our lives.

Crazy 2 years and I'm happy that I found some of my best people here. Took a fair share of time, lost a few, gained few more and some that stayed made it till the end.

Leaving a quote from Interstellar that captivated me!!

"Do not go gentle into that good night, Old age should burn and rave at close of day. Rage, rage against the dying of the light"

Pritam Mandal

Ananya Bansiwala

NMIMS Hyderabad was a journey of pushing beyond fear- facing rejection, self-doubt, and constant struggle to break into HR. It taught me that dreams demand resilience, hard work eventually pays off, but strength also lies in adapting and having a Plan B when things don't go as expected.

BATCH OF 2024 - 2026

Swarna Kedia

MBA didn't just teach me what to think- it quietly taught me how to think when no one is guiding you.

My time at NMIMS Hyderabad taught me that real growth comes from stepping outside your comfort zone. Balancing academics, internships, and challenges helped me build resilience, discipline, and clarity- shaping not just my career perspective, but also the way I approach problems and opportunities in life.

Archit Singhal

Adya Sharma

The best part of these two years was never just the classrooms, but the people, the late-night conversations, and the memories we built in between.

BATCH OF 2024 - 2026

Pramit Gupta

Live life, love life; one day at a time.

From rushed mornings to long nights that never seemed to end, college was less about routine and more about the moments that stayed with us.

Aakanksha Gaba

Tarun

My most powerful memory is wanting to be placed before going home for Diwali. After repeated rejections, I had accepted defeat. But just hours before my flight back home, I received my dream offer. It taught me that when you've done your part, God's timing will do the rest.

BATCH OF 2024 - 2026

Md Rahil

Be Patient, What was written for you is written by the greatest writer.

Be it tight deadlines or group projects with very different personalities, the biggest lesson was learning to take ownership- of outcomes, of mistakes, and of improvement. It wasn't always easy, but that constant push outside the comfort zone is what made the experience meaningful.

Pranav Kulkarni

Siddhi Shirke

“There’s a lot of beauty in ordinary things.”- Pam Beesly from The Office

Late nights, group projects, presentations, club activities and friendships during my MBA at NMIMS Hyderabad turned ordinary days into meaningful milestones. Through shared struggles and small wins these ordinary moments shaped my growth and perspective - making this journey truly unforgettable.

BATCH OF 2024 - 2026

Smruthi Jagan

NMIMS was a completely different experience for me. Coming from a very protected family, stepping into independence; from managing academics to doing my own chores was something I never expected. I've always believed that everything happens for a reason, and NMIMS was that reason. I'm truly glad I chose this path, because it taught me independence, resilience, and self-belief.

My MBA journey at NMIMS Hyderabad has been a blend of creativity, collaboration, and growth. From conceptualizing and executing event experiences to exploring finance and research, every experience shaped my perspective. The exposure, responsibilities, and friendships here have truly molded me into a more confident, expressive, and purpose-driven individual.

Nupur Mihani

Mihir Myatra

We came here chasing degrees and opportunities, but left with friendships, stories, and a version of ourselves we hadn't met before.

BATCH OF 2024 - 2026

Yuvedh Jamadd P

NMIMS Hyderabad was never just a campus - it was in the laughter outside class, the comfort of familiar faces, and the chaos that somehow felt like home.

Some of the best memories were made in the most ordinary moments - walks back to the hostel, random conversations, and nights that turned into stories.

Sumira Srivastava

Vuppuluri Vishnuvardhan Vinay

Between lectures, committee work, stress, and celebrations, these years became a collection of moments we'll keep returning to long after college ends.

BATCH OF 2024 - 2026

Ananya Jain

Lesson: be open to new opportunities even though you think they don't interest you. You never know how life will surprise you!

Things will get tougher but it will always make you stronger.

Divyansh Vishnoi

Prachi Baid

At NMIMS Hyderabad, I learned that real growth begins outside your comfort zone- through deadlines, teamwork, failures, and resilience. It wasn't just about becoming a manager, but about becoming adaptable, self-aware, and ready for real-world challenges.

BATCH OF 2024 - 2026

Shivang Gupta

Hostel nights that stretched into mornings, endless conversations, and those Naveen breaks that somehow made everything feel alright - NMIMS Hyderabad truly lived in those moments. It was never about escaping classes, but about finding a home in the chaos we created beyond them

Life is a long game. People will come and go, but along the way you learn who truly matters. In the end, the journey teaches you how to stand on your own.

Hritish Nandi

Rhea Thomas

Life unfolds as it's meant to be, you just gotta embrace it'. From resisting the move to embracing it, leading a committee in its founding year, excelling in basketball, finding a second family, and landing my dream job despite setbacks, it's been a journey of resilience, growth, and trusting destiny.

BATCH OF 2024 - 2026

Krishna M Jayesh

It's strange how a place filled with deadlines, presentations, and pressure can also become the setting for some of your happiest memories.

Just because things aren't happening right now doesn't mean they never will. Keep doing all you can, where you are, with what you have. Commit to the process success will come in time. The best is yet to come.

Ridhi Maggo

Vedanshi Seth

What we'll remember most won't just be the lectures or the grades, but the friendships, the inside jokes, and the little moments that made everyday life special.

BATCH OF 2024 - 2026

Armaan Gupta

Somewhere between deadlines, chai breaks, hostel chaos, and last-minute submissions, NMIMS Hyderabad quietly became home.

College gave us more than an MBA - it gave us people to lean on, memories to hold onto, and a place that slowly started feeling like home

Aparna Singh

Satyansh Mishra

The best part of my college journey wasn't just what I learned- it was the people I laughed with, the moments I shared, and the memories I never planned to make.

BATCH OF 2024 - 2026

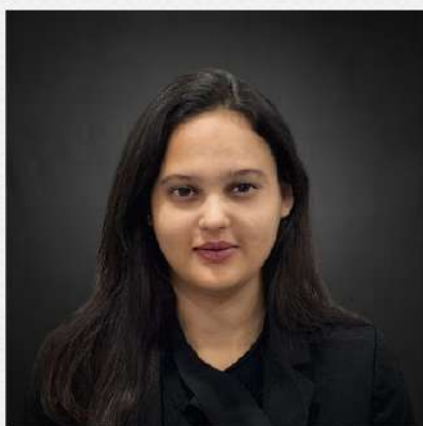

Abhinav Prasanna Kulkarni

In the middle of all the chaos, uncertainty, and growing up, NMIMS Hyderabad gave us a chapter that will always feel personal.

This journey has taught me that growth happens outside my comfort zone.

Sai Nikhil Kandala

Majida Tanveer Khanum

These two years have challenged me, shaped me, and given me memories I'll always cherish.

BATCH OF 2024 - 2026

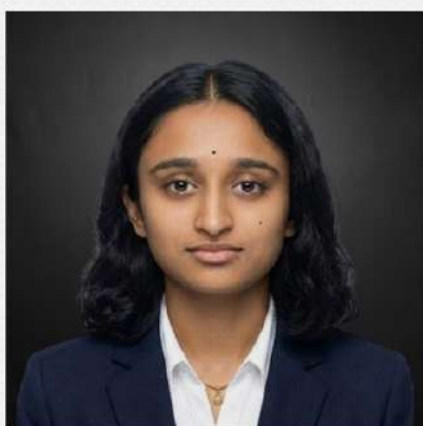

Rugved Vijay Gokhale

This MBA has been more than a degree- it has been a journey of growth, friendships, and self-discovery.

Looking back, I'm grateful for every lesson, every challenge, and every person who made this journey special.

Pratiksha Ravishankar

Bonagiri Sai Bramarambika

NMIMS Hyderabad has taught me what life truly looks like. I've had both good and challenging moments, but each one shaped me. I learned to stay grounded, be myself, and grow stronger and bolder every day.

"Growth begins where comfort ends" perfectly represents my journey here. "Growth happens outside comfort zones-through pitching ideas, collaborating in teams, taking ownership, and meeting tight deadlines. Every challenge shaped my confidence and perspective.

"Consistency beats motivation-show up, stay disciplined, and improve every single day."

BATCH OF 2024 - 2026

Anushka Kolhatkar

At NMIMS Hyderabad, I learned that true growth happens outside comfort zones. The experiences, challenges, and friendships here have shaped not just my career path, but also my perspective on life

My time at NMIMS Hyderabad taught me that learning is better when you're not doing it alone. Working through deadlines, doubts, and wins with friends made the journey fun and meaningful. The people I met here turned everyday college moments into memories I'll always carry with me.

Riddhi Guddewala

Kushagra Dwivedi

Every classroom, conversation, and challenge has added something valuable to my journey.

BATCH OF 2024 - 2026

Het Prajapati

I'm leaving with more than a degree-I'm leaving with confidence, lifelong connections, and unforgettable memories.

“Time management isn’t about doing more things, it’s about doing the right things at the right time while growing in every dimension of life.”

Ashima Modi

Anisha Bondre

From day one to graduation, every experience has helped me become a better version of myself.

BATCH OF 2024 - 2026

Nagaraboina Kirite

These two years have been filled with learning, laughter, and lessons that will stay with me for life.

I learned as much from my peers as I did in classrooms. Somewhere along the way, it became clear- you don't come from an institution; an institution comes from you. NMIMS Hyderabad, to me, is defined by the people who elevated it.

Saksham Aggarwal

Mauli Goel

My MBA journey has been a perfect blend of challenges, opportunities, and unforgettable moments.

BATCH OF 2024 - 2026

Viraf F. Motafram

One strong lesson I will always carry from my time at NMIMS Hyderabad is the importance of relationships- both friendships and mentorships. Being away from home taught me how valuable it is to build genuine friendships, support one another, and grow together through challenges. My friends here became my support system, making difficult days easier and good days even better. God by your side, anything is possible :)

Night walks, 12 a.m. chai, endless cafeteria lunches, sudden presentations, and surprise quizzes defined my NMIMS Hyderabad journey. I learnt to sustain myself even when no one was around, and to adapt to people of diverse backgrounds and mindsets. It taught me resilience, balance, and true independence.

Draksharapu Sai Deepika

Aryan Bhatmule

I'm proud of how far I've come and excited for everything that lies ahead.

BATCH OF 2024 - 2026

Saomya Bhardwaj

The deadlines will fade, but the friendships and memories will stay with me forever.

There are no failures in life, they're only lessons in disguise.

Baddam Soniha Reddy

Harsh Jajee

This journey has shown me the value of resilience, teamwork, and believing in myself.

BATCH OF 2024 - 2026

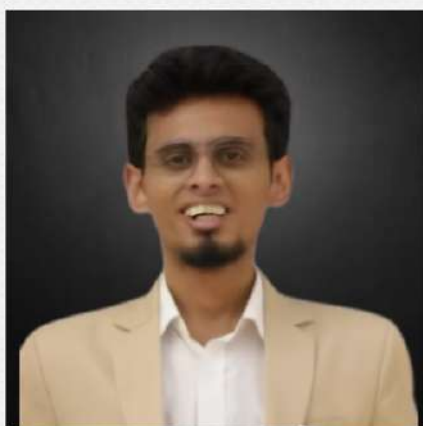

Pusuluri Naga Bhargavi

NMIMS Hyderabad taught me to connect concepts with real-world impact. Transitioning from a pharmacy background to finance and consulting, I developed structured thinking, clear communication, and resilience. Balancing academics, committees, certifications, and interviews shaped my confidence and prepared me to solve practical problems beyond textbooks.

Every presentation, project, and late-night submission has been worth it.

Vishruth Reddy Jakkidi

Archit Malhotra

‘Take ownership, not permission’- the biggest lesson NMIMS Hyderabad left with me.

BATCH OF 2024 - 2026

Monisha Thinagaran

One thing NMIMS taught me is that pressure doesn't break you; it reveals you. From back-to-back deadlines to managing club events, I learned that real confidence is built in moments of chaos.

I'll always look back at these two years with gratitude and a smile.

Diya Jain

Aakshata khanna

From JPC to SPC, from comfort to chaos, from roommates and extended roomies to becoming each other's family: MBA gave me pressure, perspective, and the placement phase that tested everything I had. Somewhere between deadlines, decisions, and late-night Maggi, it also gave me best friends for life.

BATCH OF 2024 - 2026

Trisha Jhunhunwala

I came here to earn a degree, but I'm leaving with friendships and memories for a lifetime.

I entered NMIMS Hyderabad for a degree but I left with a different perspective, confidence, and a stronger version of myself. Every interaction became a lesson in understanding people and handling pressure while learning to figure things out along the way. It's a chapter that will stay with me for life.

Gnana Sharon Timna V

Isha Joshi

Leaving campus feels bittersweet because it's proof that something meaningful happened here. This place challenged me, celebrated me, humbled me, and helped me grow. As one chapter closes, I'm excited not because I know what's next, but because I now trust myself enough to figure it out.

BATCH OF 2024 - 2026

Sahil Arora

I'll never forget placement season. It felt like every emotion possible was packed into a few weeks-hope, rejection, excitement, self-doubt, relief. Looking back, getting placed was an incredible moment, but what stayed with me more was realizing how many people quietly stood beside me through it all.

One quote that represents my life at NMIMS Hyderabad is "Change is the only constant."

So, one should know when to switch gears, be always on toes, never miss an opportunity you might never know which one can change your life.

Some other quotes that represent my journey at NMIMS Hyderabad includes

"Never stop learning" and "Be Fearless".

Also once Sasmita ma'am told us "the key here is to play on your strengths."

So these are those ideas or principles which I followed here.

Firdaus Fatima

Rushab Amol Kasture

My time at NMIMS Hyderabad transformed hesitation into leadership. The responsibilities I carried, and the decisions I made, built the confidence I needed.

My lesson: Growth is not an event, but a quiet unfolding- one brave step at a time.

BATCH OF 2024 - 2026

Siddharth Chatterjee

I learned that success feels better when you have people to celebrate it with.

My MBA journey was more than just exams and lectures; it was about the meaningful connections I made, the challenges I faced alongside my peers, and the passion that kept me moving forward. These shared experiences shaped not only my skills but also who I am today.

Bhargav Rohit Bolla

Maitri Sharma

One clear lesson from NMIMS Hyderabad: growth happens when you step up even before you feel ready. Group projects, deadlines, and discussions taught me to take ownership, listen better, and keep learning-especially when things were uncertain.

BATCH OF 2024 - 2026

Harshit Dubey

I still remember thinking, "How am I going to spend two years here?" Now I'm wondering where those two years disappeared. Somewhere between rushing to class, complaining about assignments, and grabbing snacks between lectures, this place quietly became home.

One thing I'll always laugh about is how everyone acted like they had everything under control. Then you'd talk to them for five minutes and realize we were all equally confused, equally stressed, and equally winging it. Somehow, we still managed to pull things off together.

Supreet Kaur Gandhi

It's been a rollercoaster of growth-moving from fear of living alone to finding a second home with my friends. NMIMS Hyderabad taught me resilience, adaptability, and the value of connections. "The best journeys begin with uncertainty and end with belonging". It's been a rollercoaster of growth-moving from fear of living alone to finding a second home with my friends. NMIMS Hyderabad taught me resilience, adaptability, and the value of connections.

"The best journeys begin with uncertainty and end with belonging"

Arnav Gupta

BATCH OF 2024 - 2026

Aryan Gupta

Always make your time worth it, And communication is not just a key but how you communicate without making other person feel demotivated makes you stand out and a Good leader.

At the end your Discipline and consistency will write your story.

Joining a committee was one of the best decisions I made. It wasn't always glamorous- it usually meant running around before events, answering messages at odd hours, and solving problems nobody else noticed. But it also taught me ownership, leadership, and that the best events only look effortless because someone worked hard behind the scenes.

Aman V Shah

Pinninti Tejaswi

NMIMS Hyderabad became more than just a place of learning. It turned into a journey that quietly transformed me. Through challenges, deadlines, and moments of doubt, it pushed me beyond my limits. Along the way, I found my confidence, built resilience, and discovered a stronger version of myself.

BATCH OF 2024 - 2026

Arthad Bhole

Nothing about my journey was dramatic. There wasn't one life-changing moment. Instead, it was a hundred small ones—speaking up when I usually stayed quiet, taking responsibility, learning from mistakes, and becoming a little better every day. Looking back, those tiny moments changed me the most.

The classrooms taught me management. The people taught me life. Every group project introduced me to different personalities, every disagreement taught me patience, and every friendship reminded me that success feels much better when you have people to celebrate it with.

Avanti Ambre

The classrooms taught me management. The people taught me life. Every group project introduced me to different personalities, every disagreement taught me patience, and every friendship reminded me that success feels much better when you have people to celebrate it with. NMIMS Hyderabad taught me that everything arrives in its own time. Stay patient, work hard, take care of yourself, and keep showing up with a smile. When you trust your pace and enjoy the journey, you shine a little brighter every day." At NMIMS Hyderabad, I learned that growth comes from chaos. Between deadlines, placements, and friendships, I discovered resilience, real connections, and myself. "You don't just earn a degree here, you become a stronger version of yourself."

Rishita Gupta

BATCH OF 2024 - 2026

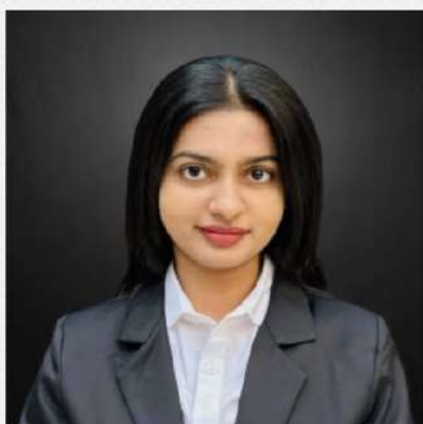

Shubhankar Verma

I just learned that it has to be a continuous and well rounded effort to achieve anything i want to achieve. Sometimes just surviving is enough.

MBA at NMIMS Hyderabad is a once in a lifetime ride, packed with deadlines, late night study binges, chai-fueled midnight brainstorm, unforgettable events, and spontaneous plans. It taught me that the best stories (and friends) are made outside your comfort zone. Throw yourself into every experience; you never know what or who will inspire you.

Wamika Roy

Laiba Ali

If you asked first-year me what success looked like, I'd probably have listed grades, internships, and placements. Today, I'd add resilience, meaningful friendships, and the confidence to start over when things don't go according to plan. That's probably the biggest lesson NMIMS Hyderabad gave me.

BATCH OF 2024 - 2026

Mansi

Late nights, endless deadlines, and laughter with friends-that's my NMIMS Hyderabad journey. It taught me how to handle pressure, keep going, and grow through challenges. More than anything, I leave with strong friendships, real exposure, and a version of myself that's more confident and ready.

MBA in NMIMS taught me that real growth begins outside the comfort zone. I met people from different cultures, made incredible friends, and discovered a stronger, more confident version of myself.

Sruthi R

Swati Damaraju

NMIMS Hyderabad was a journey of growth-being part of the PR Committee's content team and creating memories with friends and roommates is something I'll cherish. There were many failures, but each one helped me rise stronger. I especially enjoyed my second year, discovering my passion for marketing through the subjects I studied.

BATCH OF 2024 - 2026

Khushi Malik

Don't think of it as two years. Think of it as the life you get to live in those two years. From classrooms to committee events, every experience became a lesson in leadership, collaboration, and self-belief. After all, growth begins exactly where your comfort zone ends. Turns out, that's where the best stories start too.

Early morning classes, packed schedule, sudden GLs, group presentations, all these directly-indirectly made me ready for the corporate world, where you are supposed to be ready for anything and everything.

Kajal Dislay

Divya T

NMIMS Hyderabad taught me two things: how to make a 2-slide deck look like 20, and how to say 'let's circle back' when I have no clue what's going on.

BATCH OF 2024 - 2026

Anku Garg

Things might take time, but it'll all be perfect in the end. Just believe in yourself, and it's super important to be around the right people.

Friends in MBA are people who keep you sane, and low key always keep you on your toes. My MBA at NMIMS Hyderabad stands as a defining achievement. As a Senior Placement Committee member, I take pride in contributing to campus placements while pushing my own limits. By securing opportunities at Wells Fargo, NTPC, and ANZ, I built resilience, confidence, and a strong foundation for my professional journey.

Nikita Garg

Priyanshu Saxena

In the middle of confusion and uncertainty, NMIMS Hyderabad taught me one thing trust the process, it all works out in the end.

Deadlines, doubts, and decisions confusion was constant, but so was growth.

BATCH OF 2024 - 2026

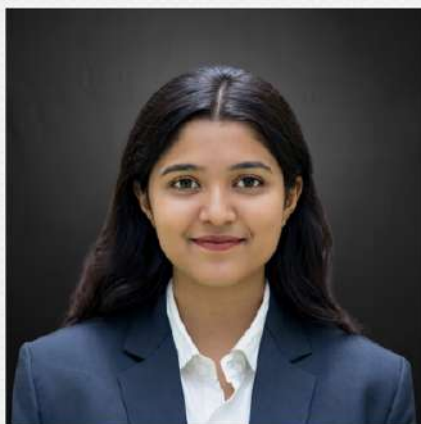

Rittick Ghosh

NMIMS Hyderabad became more than a campus- it became home. In its classrooms, I found confidence; in its corridors, lifelong friendships; in its challenges, my true strength. We grew through pressure, deadlines, laughter, and late-night conversations. I came here chasing a degree, but I leave carrying memories, gratitude, and a family I'll always cherish.

I came for the degree but stayed for the sunsets, the laughter after presentations, and those 11:59 deadlines that shaped me. From a quiet whisper to a lasting echo, this cocoon of curfews, case studies, and growth became the place where I learned to fly. Entered NMIMS a blank page, left a story in motion, inked with friendships, courage beyond comfort, chapters of growth, margins of mistakes, and a signature of independence I now call mine.

Monica N

Nehal Kale

This journey has taught me so much and transformed me in countless ways, both personally and professionally- building my confidence, patience, and belief in myself.

BATCH OF 2024 - 2026

Prachi Jain

Trying to explain MBA life to my parents was impossible. "No, I wasn't partying. We actually had a meeting at midnight." "Yes, we really did spend six hours making one presentation." Only people who've lived this life truly understand it.

NMIMS Hyderabad taught me that real progress comes from stepping up, whether in classrooms, competitions, or failures and consistently showing up even when it's tough.

R Prajith

Shashwat Mukherjee

When I first came to NMIMS Hyderabad, I honestly thought I was just here to get an MBA and a good placement. Somewhere between endless presentations, committee work, and surviving on too little sleep, I realized I'd become a much more confident version of myself. Looking back, the biggest achievement wasn't the career, but rather it was proving to myself that I could handle far more than I ever thought I could.

BATCH OF 2024 - 2026

Srishti jain

Its bad but its not the worse thanks to my people.

Still am grateful for this journey! I hated the constant moral policing, but I'll miss the tapri walks, the sunsets, and those rare, quiet moments of peace... right until someone whistled us away. Not gonna lie, this place often felt like a prison, but somehow it still gave me the kind of friendships that made it all worth it.

NM is more than a college for me. The hostel life gave me friendships that feel like family, lessons beyond classrooms, and memories in every late-night laugh and event hustle. It shaped my confidence, resilience, and reminded me, growth happens when you step out of your comfort zone. Always grateful to be a part of NM family.

Bhumika

Muskan Saraf

A memory I'll always carry from NMIMS Hyderabad is how every uncomfortable step led to something unexpectedly beautiful.

BATCH OF 2024 - 2026

Samihan Nanoti

It's easy to measure an MBA by grades or placements, but the real transformation happened in ways I didn't notice at first. I became more patient, more open to different perspectives, more willing to take initiative, and more confident in unfamiliar situations. That's the version of myself I'm most grateful to take forward.

At NMIMS Hyderabad, I learned that leadership isn't about titles, but about taking initiative when it's toughest and believing in growth when it's uncertain.

Vidhi Bhatt

Amrita Paul

If I had to sum up these two years in one thought, it would be this: growth rarely feels comfortable while it's happening. It often looks like uncertainty, long nights, difficult conversations, and trying again after failure. But looking back today, every moment-good and bad-was worth it. NMIMS Hyderabad didn't just prepare me for a career; it prepared me for life.

BATCH OF 2024 - 2026

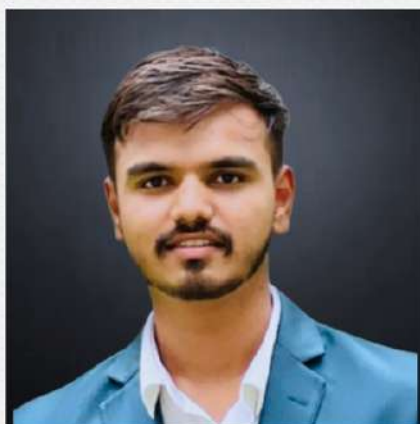

Adarsh S

Fall, learn, repeat- that was the routine.

The essence of MBA is to be present in it always. There is nothing permanent, for a minute you cry for another minute you realise you need to submit an assignment, so again gear up, cheer up, and pull yourself up. MBA is for those unstoppable people who wants to succeed, who wants to fail but never stop in their lives. It's not very easy to put 2 years into 50 words but something that I learnt from my MBA would be how to tackle and work under pressure. "Its not done untill it's done", be it a presentation or a business deal. All it takes is an initiative and lots of motivation.

Kajal Mangal

Kunal Wadhekar

Every goodbye reminds me how lucky I was to have something so special that it's this hard to leave behind.

BATCH OF 2024 - 2026

Paridhi Agrawal

When You think that you are at be your lowest but that lowest point become your strength and turn you into strongest of all. Best memory is when I got placed and every single person who matters to me was there to support me. It also taught me a lesson that Everything happens for a reason and you will get what you deserve.

"I learned that pressure doesn't define me- how I handle it does. So, I chose calm over chaos, and that's where my growth began." From stepping onto campus with excitement and uncertainty to walking out with confidence and clarity, this journey has truly transformed me. Deadlines, projects, presentations, and internships taught me resilience, adaptability, and how to handle challenges with composure. Along the way, I found incredible friendships, mentors, and memories that made these years unforgettable. Walking away with lessons, memories, and the confidence to embrace whatever comes next.

Riya Jain

Devika K

To laugh often and much; to win the respect of intelligent and find the best in others; to leave the world a bit better; to know even one life has breathed easier because you have lived. This is to have succeeded.

BATCH OF 2024 - 2026

Neha Gorle

“If I think of one memory or lesson that represents my time at NMIMS Hyderabad, it’s that growth happens when you step into the unfamiliar.”

Coming to this college gave me a completely different experience- diversity, vibrant clubs and committees, and those late-night group assignments that somehow brought everyone closer. The events and festival celebrations made the campus feel like a second home. And of course, the stress of SIP and placements was real, but it taught me resilience and how to stay grounded under pressure.

NMIMS Hyderabad was a rollercoaster- group projects turned into therapy sessions, presentations became stand-up shows, and deadlines taught us the true meaning of teamwork (and panic). Every twist taught me something new, and every challenge brought me closer to my dream goals. I walked in with ambition and walked out with memories, lessons, and lifelong friendships!

Andanu Santoshi Patro

Devadarsan M

I’ll carry a little piece of this campus with me wherever life takes me next.

BATCH OF 2024 - 2026

Atharvi Mohokar

It was the late nights, chaos before deadlines, and figuring things out on the go that shaped me. One thing that stuck with me was that you don't rise to expectations, you fall to your preparation.

NMIMS Hyderabad gave me more than just a degree- it gave me moments that challenged me, people who shaped me, and memories that quietly became a part of who I am.

Kashish Adlakha

Anukriti Saxena

The sunsets looked the same every evening, but every day here gave me a new memory to hold on to.

BATCH OF 2024 - 2026

Nidhi B

"Execution is where learning is tested."

NMIMS Hyderabad showed me that management goes beyond theory to people, process, and accountability- often through everyday teamwork, deadlines, and also managing content as the SPOC at Mark8inc.

"What I'll remember most won't be the classrooms or the assignments, but the people, the laughter, the late nights, and the moments that made this journey unforgettable."

Gowri Shreya

Harshit Kalra

Turns out the best group project I ever worked on was this journey with all of you.

BATCH OF 2024 - 2026

Palak Jaiswal

If college taught me one thing, it's that everything somehow works out... usually five minutes before the deadline.

My attendance may not have been perfect, but my memories definitely are.

Sagar Ratra

One lesson I'll carry with me- Grab every opportunity. Even the silliest and most random ones. The best memories are born from "spontaneous yes-es", not "careful maybe-s". Say "Yes"...To the wild ideas, the impromptu plans, and even the moments that scare you a little - trust me, they're the ones you'll never truly forget !!!One thing I learned in this journey- say "YES" more often. To the impromptu trips, the stage, and even the last minute plans - especially the ones that scare you a bit! Somehow, those are the ones that turn into the memories you'll cherish forever.

Evana Mariya Paul

BATCH OF 2024 - 2026

Rohan Mohite

I've officially graduated from deadlines, caffeine, and saying, 'Let's start after lunch'.

Between case studies, placement prep, and endless deadlines, I found moments that made these two years unforgettable.

Aakriti Singh

Manas Arora

Patience is the key. There will be moments when you'll feel like you're breaking down again and again- but in the end, it will all be worth it. Just stay with it, and trust the process.

BATCH OF 2024 - 2026

STP Sriharsha

NMIMS gave us more than an MBA. It gave us stories, friendships, and memories that will stay long after the lectures are forgotten.

The classrooms taught us business, but the people around us taught us life. Thank you, NMIMS, for everything

Archana Nayanapally

Maithilee Kamble

NMIMS Hyderabad was never really about the campus for us, it was always about the people. The late-night conversations, shared stress before deadlines, random laughs in between, it all slowly turned strangers into our own little family. In the end, it's not the place we'll miss, it's them.

BATCH OF 2024 - 2026

Nikhilendra Pratap Singh

Once one HR told me that Nikhilendra be curious all your life, that's one thing that specially changed the game for me, from that day I never left any stone unturned, it's some new learning everyday.

In this journey, my 2 seniors Arya and Ujjval really mentored me in a great way, will always be thankful to them.

Some of the best lessons were never part of the syllabus. They came from the people, the challenges, and the journey.

Anand S

Talib Zafar

The best return on investment from these two years wasn't just the degree- it was the people I met and the experiences I gained.

BATCH OF 2024 - 2026

Ayushi M Pandey

The classrooms taught us business, but the people around us taught us life. Thank you, NMIMS, for everything.

NMIMS Hyderabad didn't just shape my career- it transformed me as a person. I walked in quiet and unsure, and I'm leaving as someone confident, extroverted, and unafraid to speak up. I've grown into a version of myself I never knew existed- and that's the real takeaway. From the nervous first day at NMIMS Hyderabad to the confident final goodbye, this journey has been full of growth. The lectures, challenges, friendships, and small everyday moments shaped me in ways I never expected. I leave with more than knowledge - I leave with stories, lessons, and a stronger sense of who I am.

Khushi Gupta

Aanya Goel

The assignments will fade, the presentations will end, but the memories we made here will always stay.

BATCH OF 2024 - 2026

Asmita Dafne

“Two years of growth, learnings, grit, patience and friendships. Met many, learnt plenty; some taught lessons, some became blessings. A journey that turned dreams into direction.” Two years full of a roller coaster ride of emotions, friendships and life lessons.

Every deadline felt impossible until it became another story to laugh about. Thank you for making these years unforgettable.

Satvika Arya

Ayoka Emily D'souza

NMIMS Hyderabad truly tested my adaptability- whether it was shifting project plans, racing against tight deadlines, or navigating unexpected challenges. Each moment taught me to stay calm, find solutions, and keep going. I've come to cherish the thought: “It's not the strongest who survive, but those who embrace change with an open heart.” “I came for an MBA, but I leave with knowledge, experience, and memories that last a lifetime.”

BATCH OF 2024 - 2026

Yash Vardhan

NMIMS Hyderabad taught me that growth happens outside the comfort zone. From late-night case discussions to winning competitions with my team, every challenge shaped my confidence and perspective. The biggest lesson: opportunities don't just come-sometimes you create them through initiative, teamwork, and persistence.

“One memory? Sitting with my people after a long, exhausting day... laughing like nothing else mattered. NMIMS Hyderabad taught me that the real growth isn't just in classrooms, it's in the people you grow with.

At the same time, it pushed me out of my comfort zone- through presentations, deadlines, and responsibilities- helping me become more confident, adaptable, and sure of what I'm capable of.”

Keshika Singh

Rohit Thakur

We arrived with ambitions and leave with confidence, friendships, and memories that will always feel like home.

BATCH OF 2024 - 2026

Aayush Shah

At NMIMS Hyderabad, I didn't just earn a degree- I discovered parts of myself I never knew. Between shared dreams, silent struggles, and unexpected friendships, I learned that growth is often disguised as chaos. These corridors hold my laughter, tears, and the courage I now carry into life.

Life at NMIMS was never just about academics. It was about growing, learning, and finding people who made the journey special.

Kartikeya Singh Sisodia

Harshitha Reddy Vemugoti

NMIMS Hyderabad has been a transformative journey that taught me resilience, adaptability, and leadership. From late-night projects to collaborative teamwork, every challenge became a learning opportunity. From academic rigor to memorable friendships, every experience contributed to shaping my personality, values, and outlook toward achieving excellence in both personal and professional life. It's never too late

BATCH OF 2024 - 2026

Vaidehi Yogesh Devi

These two years taught us to dream bigger, work harder, and appreciate the people who walked beside us.

There were days when I couldn't wait to graduate. Now that it's here, I realize these are the days I'll probably miss the most.

Himshrey Abhinna

Kushagra Chattree

Looking back, it was never about the perfect grades. It was about the people, the moments, and the memories we created together.

BATCH OF 2024 - 2026

Aravind K Nair

My biggest lesson at NMIMS Hyderabad: your dream aligns when preparation meets opportunity. From mechanical engineering to VECV, this campus shaped the mindset that got me there.

I arrived at NMIMS Hyderabad with a blank resume. I leave with a portfolio of brands- Axis Bank, Frost & Sullivan, Grant Thornton, Del Monte, HDFC, and countless lessons along the way. The biggest one? NMIMS helped transform me into a marketing powerhouse by teaching me that opportunities aren't found by chance; they're created through curiosity, courage, and consistency.

Sara Khan

Vaishali Nair

"I walked in with curiosity, took chances that scared me, and walked out with friendships, lessons, and a heart full of gratitude- no regrets, just growth.

Somewhere between who I was and who I've become lies the magic of this journey." "At NMIMS Hyderabad, I learned that there are no failures- only lessons." Becoming Vice President remains my core memory, reminding me to keep trying despite odds, stay true to myself, and lead with my own convictions rather than following the crowd.

BATCH OF 2024 - 2026

Aayushi Ghael

NMIMS taught me how to rise from a fall. I fell everyday and woke up with new hope next day. The competition and the people motivated me to be the best version of myself and I am proud of what I am today. Thank you for shaping me NMIMS!

I came here hoping to earn a degree, but I left with stories I will keep for life. Every challenge taught me something, and every friendship made the journey worth it. NMIMS will always feel like the place where I truly grew.

Irine Benny

Riya Makkar

This MBA journey began without a roadmap. Lost at first, I built my path piece by piece through pressure, doubt, and persistence. It shaped my capabilities, tested my resilience, and I now step forward prepared- backed by opportunities I worked hard for.

BATCH OF 2024 - 2026

Sahil Ubgade

Some days felt endless, and some passed in a blink. Looking back, every lecture, deadline, and late-night conversation became part of a journey I wouldn't trade for anything.

This place taught me that growth doesn't always happen inside a classroom. It happens through people, experiences, mistakes, and the courage to keep showing up.

Kartik Parashar

Pooja Rani

My MBA journey has been nothing short of transformative- filled with learning, challenges, and unforgettable moments. From insightful classroom discussions to late-night preparations and vibrant campus events, every experience shaped who I am today. NMIMS gave me not just knowledge, but lifelong friendships, confidence, and dreams to chase. I leave with gratitude, pride, and excitement for what lies ahead.

BATCH OF 2024 - 2026

Pavani Uggini

I arrived as someone trying to figure life out. I leave carrying lessons, friendships, and memories that mean far more than any grade ever could.

The best memories were never planned. They happened between classes, during events, and in conversations that turned strangers into lifelong friends.

Piyush Khandelwal

Sanket

NMIMS Hyderabad taught me how to balance academics, events, and 27 different WhatsApp groups. I made great friends, improved my PowerPoint skills, and realised that surviving back-to-back presentations is basically an extreme sport. Honestly, the campus turned me into a professional multitasker with a sense of humour. At NMIMS Hyderabad, every day was a balance of pressure and fun. From hectic schedules to team laughs, the journey helped me grow, adapt, and enjoy the process-making it a truly memorable and enriching experience.

BATCH OF 2024 - 2026

Eshan Bhattad

As I turn this page, I carry forward everything NMIMS gave me. The lessons, the laughter, and the people will always be a part of who I am.

I found more than an education here. I found people who supported me, challenged me, and became an unforgettable part of my story.

Rakshit Sharma

Tarun saxena

Some memories were made in classrooms, but the best ones happened in the moments no timetable could ever plan. Those are the ones I'll carry forever.

BATCH OF 2024 - 2026

Shubham Somani

“NMIMS Hyderabad taught me that real growth happens outside comfort zones. A reputable committee like N-Gage showed me how networking works and how industry relations are built. From intense projects to late-night exam studies and pre-reads, I learned that collaboration turns challenges into opportunities.”

NMIMS Hyderabad taught me a lot of life lessons, which I will take on forever in my life. From learning how to give presentations, pitching or leading and managing a group of people. My time in NM will always be memorable and fruitful for me.

Klevin Pascal

Vaishnavi Joshi

Every goodbye reminds me how lucky I was to experience this journey. The people I met here made these years unforgettable.

BATCH OF 2024 - 2026

Bhavya Gupta

I came here chasing a degree, but I'm leaving with stories I'll be telling for years. NMIMS gave me lessons far beyond the classroom, and I'm grateful for every single one.

Two Years, Endless Memories, and best of the Friends gained here at NMIMS. Will always remember all the fun that I had with my friends. Couldn't ask for a better experience, gained a lot, learnt a lot and will remember a lot.

Sonal Baheti

T J Sai Charan

At NMIMS Hyderabad, I learned that growth happens beyond comfort zones, whether in late-night deadlines, team conflicts, or unexpected wins. The journey wasn't perfect, but it made me more resilient, adaptable, and ready for what's next.

BATCH OF 2024 - 2026

Maria Vijay

NMIMS Hyderabad shaped me through experiences beyond textbooks- teamwork, challenges, and self-discovery. A quote that defines my journey is: "Growth begins at the end of your comfort zone." Every presentation, responsibility, and risk I took pushed me to evolve into a more confident and capable version of myself.

Stay focused on what matters and be confident in yourself. Don't get influenced by others, be it their placements, opinions, or negativity. Just focus on your own path and keep moving forward.

Kande Vineela

Sarika Nangia

What began as a college became a home. Leading the Marketing Club, fighting through placements, and finding friends who stayed! NMIMS taught me one thing: 'You grow the most in places you never planned, with people you never expected.' Hustle!! Give your best in academics, placements, council work, show up for every opportunity. And in between it all, build friendships that turn into lifelong bonds, people who guide you, mentor you, and make these two years truly worth living.

BATCH OF 2024 - 2026

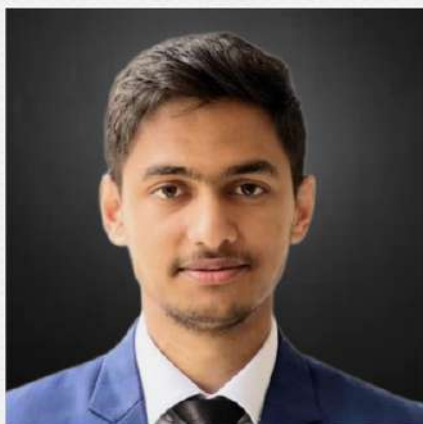

Aviral Lal

NMIMS Hyderabad is a journey of highs and lows with missing deadlines, late-night teamworks, small wins, and big lessons. It taught me resilience, humility, and the confidence to grow through challenges and not just celebrating success.

Somewhere between deadlines, presentations, and endless chai breaks, this place quietly became home. I'll always carry a piece of NMIMS with me.

Ayush Gupta

Tabish Sohrab

Came in with goals, survived the grind, learned the game, and left with confidence, clarity, and stories worth remembering

BATCH OF 2024 - 2026

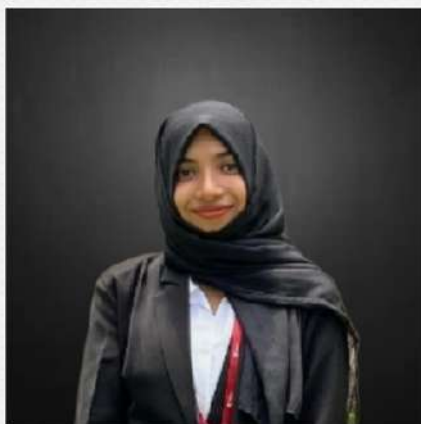

Rishabh Rawat

I arrived with questions about my future and I'm leaving with confidence to create it. Thank you, NMIMS, for helping me grow into myself.

My MBA stitched together by Intellectia meetings, friendships that felt like family, internship stress, late nights, and basketball keeping me sane through it all.

Himanish Mudgal

**Fathima Abdullah Kunju
Abdul Jale**

Every semester challenged me in a different way, and every challenge made me stronger. Looking back, I wouldn't change a thing.

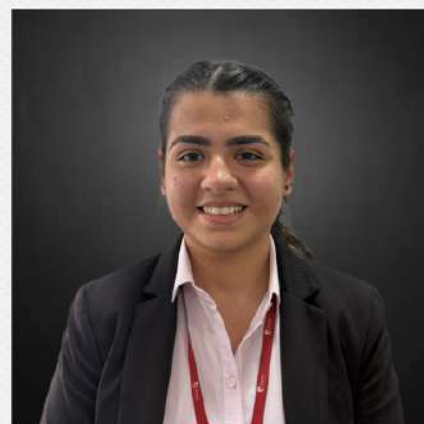

BATCH OF 2024 - 2026

Harshit Chhajjer

In the classrooms, corridors, and late-night conversations, I found lessons no textbook could teach

NMIMS Hyderabad wasn't just a degree for me-it was the first time I stepped out of my comfort zone and into the real world. Away from home, I didn't just learn business concepts; I learned people. From late-night presentations and committee hustle to fest chaos and teamwork, every moment taught me to collaborate, adapt, and embrace different perspectives. The biggest takeaway wasn't in textbooks-it was understanding that success is rarely individual; it's built together. If there's one lesson NMIMS gave me, it's this: growth begins where comfort ends, and truly happens when you grow with others.

Khushi Naib

Sonakshi Tripathi

That we be crying on the days we have a lot of classes but then at the same moment we be crying when we don't have classes.

Also, the quote that represents my time at NMIMS would be, "be patient, it's all worth it".

BATCH OF 2024 - 2026

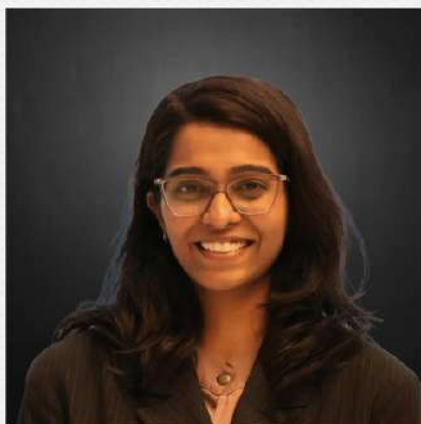

Bhavyasri Guruvu

Every ending carries a new beginning. Leaving NMIMS with gratitude, lifelong friendships, and memories that will always make us smile.

The lectures may fade from memory, but the friendships, laughter, and late-night conversations never will. That's what NMIMS truly gave me.

Arnav Tyagi

Vrushali Gaikwad

2 years flew by faster than my decision to start studying the night before exams. Somewhere between studying at the last moment to graduating and surviving the chaos, I realized- "You are capable of anything"

BATCH OF 2024 - 2026

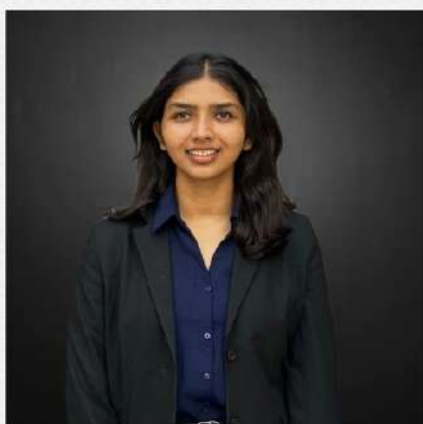

Karishma Guglani

“From finding a family away from home to discovering my best self, NMIMS has been a journey of growth, learning, and unforgettable memories.” I’m walking away with a wealth of knowledge and experiences that I know will stay with me forever. This place has shaped my future perfectly, and I’m grateful for every takeaway.

Ever tried. Ever failed. No matter. Try again.
Fail again. Fail better.
The world is all your's to conquer. Treat everyone kindly and light up the night.

Aman Singh

Nida M

From late-night deadlines to endless laughs with friends, NMIMS Hyderabad gave me more than a degree - it gave me memories and people for life. The biggest lesson? Growth happens outside your comfort zone. Every challenge here shaped who I am today.

BATCH OF 2024 - 2026

Theres Ann Tom

Whatever happens life moves on. We see people, collect memories, build experience and the end we become a mosaic everything we see, hear, feel. One lesson NMIMS Hyderabad gave me is that growth begins the moment you step out of your comfort zone. From taking responsibility as a department representative to learning how to speak, lead, and listen better, this campus didn't just teach me marketing this shaped my confidence.

I collected more than grades here. I found mentors, unforgettable people, and memories that will stay with me long after graduation.

Pranav Shinde

Aniket Patel

At NMIMS Hyderabad, I learned that growth happens outside comfort zones-whether presenting under pressure or leading projects. One lesson that stayed: 'Clarity of thought creates confidence in action.' It shaped how I approach finance, decisions, and leadership.

BATCH OF 2024 - 2026

Shreyash Shekhar

The best part of this journey was never just the destination. It was every little moment that made these years unforgettable.

I learned that success is not just about achievements but also about the people who stand beside you. Thank you, NMIMS, for introducing me to mine.

Akash R

Harmika Mevawala

MBA is basically a two year speed run of overthinking, fake seriousness, and accidental friendships plus group projects where no one knows what's happening but everyone is stressed anyway. So chill, trust slowly, talk to everyone, and make memories because deadlines fade but dumb fun stays!

BATCH OF 2024 - 2026

Sreehari K V

This campus taught me to dream bigger, work harder, and believe in myself even on difficult days. I'll always be thankful for that.

Every corner of NMIMS holds a memory I never want to forget. This chapter is ending, but the lessons and friendships will always stay with me.

Krishna Jain

Nikhil Rajesh Revankar

These two years were less about grades and more about the people I met. They challenged my views, inspired me to aim higher, and helped me see things from new perspectives. Learning to think differently and stay curious alongside them is what made this journey truly worth it.

BATCH OF 2024 - 2026

Sampriti Joseph

This journey taught me that growth begins where comfort ends. Every challenge became a stepping stone.

NMIMS has been a beautiful journey of growth, friendships, and self-discovery. From late-night conversations in the balcony to stressful last-minute submissions, every moment shaped who I am today. I've learned, laughed, and evolved in ways I can never forget. Grateful for the memories, lessons, and people who made this chapter of my life truly unforgettable.

Dwitipriya Ghosh

Tanvi Jain

You don't need 100 slides. You need one smart idea and the guts to say it like you mean it. Turns out the best ROI was personality: quicker wit, clearer thinking, and the shamelessness to show up for myself. Turns out in life, you only need killer Wi-fi and a 'What's the worst that could happen?' mindset to ace gracefully. Built things nobody asked for, realized that not fitting the mold isn't a problem; it is the whole point. I left knowing exactly what I wasn't, which honestly did more for me than any placement prep ever could. I am larger than my potential.

BATCH OF 2024 - 2026

Rajat Kumbhare

More than an MBA, it was a journey of friendships, learning, and discovering my potential.

The best lessons weren't in the classroom, they came from the people and experiences around me.

Varun Chandra

Karthik Venkatesh

Every setback came with a lesson, and every success became sweeter because of the people who shared it.

BATCH OF 2024 - 2026

Simran Adlakha

“Some journeys make sense only looking back.”

I didn't find all the answers here, but I found better questions, better people, and a version of myself I hadn't met before, and I think that's been the most valuable part of it all.

I came to NMIMS Hyderabad to study, but years from now I may forget the slides and formulas. What I'll remember are the curiosity, conversations, confidence, and memories it gave me.

Komal Tibrewal

Aryan shah

Enjoy Life, Love Life, Live Life
Laugh. Love. Live. Because who knows
if there'll be a tomorrow?

BATCH OF 2024 - 2026

Sukhpreet Singh Kohli

The biggest lesson NMIMS Hyderabad taught me was that growth doesn't happen in comfort zones - it happens in presentations you're nervous for, deadlines you think you can't meet, and responsibilities you think you're not ready for.

I arrived with questions and left with purpose. NMIMS Hyderabad shaped both my mindset and my ambitions.

Raunak Raja

Damini Agarwalla

From presentations and deadlines to late-night walks, classroom laughter, and last-minute submissions - this MBA journey was a perfect blend of chaos, memories, and growth. Truly wouldn't trade it for anything!

BATCH OF 2024 - 2026

Suryansh Goyal

At NMIMS Hyderabad, I learned that group projects teach more about patience than teamwork, and deadlines are the best motivation! But jokes apart, it's a place that turned curiosity into confidence and helped me grow through every challenge - both academic and caffeine-related. Be the hardest worker in the room.

Initially, when I stepped into the college, I thought it was "No Mercy Institute of Management Studies," but by the time I learnt a lot and got a real chance for my Personal Development and now, I can proudly say it as "Nurturing Managers Institute of Management Studies".

Nikhil Sharma

Kothapalli Jyothsna Kumari

"It's not the challenges we face, but how we grow through them, that defines us." This perfectly sums up my MBA journey. Through deadlines, friendships, and moments that pushed me beyond my comfort zone, NMIMS Hyderabad taught me resilience and showed me that growth often comes from unexpected moments.

BATCH OF 2024 - 2026

Chandrika Kethavarapu

At NMIMS Hyderabad, placements were more than interviews; they were moments of resilience. Through long days, rejections, and shared tears with friends, we kept showing up stronger.

In the end, it wasn't about how many times we fell but how many times we chose to rise again.

My time at NMIMS Hyderabad taught me that real growth comes from stepping outside comfort zones; success isn't about knowing everything but being willing to learn anything.

Kareena Hajela

Yash Kishor Bharambe

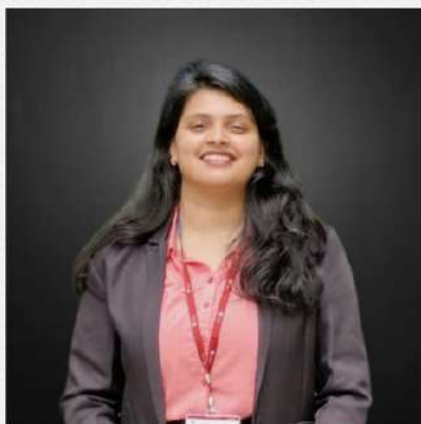

The only impossible journey is the one you never begin- start small, start scared, but start. Turn one day into Day One. Forward is the only place worth going, and in that forward motion, somewhere ahead, may we meet again.

BATCH OF 2024 - 2026

Nishad Raj Naik

Placement day at EY taught me resilience, patience, and belief - one moment that turned years of effort into a defining achievement.

Riya R Nambiar

"Hard work and resilience always pay off."

This quote perfectly captures my time at NMIMS Hyderabad. From hostel life and late-night hustles to deadlines and placement stress, every challenge taught me responsibility, independence, and perseverance. More than an MBA, NMIMS gave me confidence, lifelong memories, and friendships that became family. NM was never just a degree for me-it shaped my mindset, tested my limits, and built a stronger version of myself. I walked in with dreams and uncertainty, but walked out with resilience, clarity, and memories that will always feel like home.

Akriti Taneja

The memories I made here will stay with me long after the degree is framed.

BATCH OF 2024 - 2026

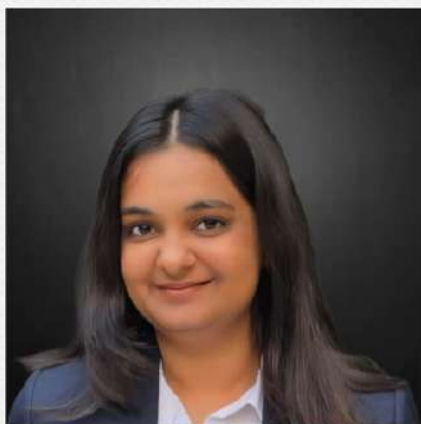

Rachit Agarwal

If it doesn't happen the way you wanted, it will happen in a better way than you imagined.

NMIMS Hyderabad has been more than just an MBA for me - it's where I grew, both personally and professionally. From navigating challenges to sharing countless laughs with my friends, every moment mattered.

Neenu Varghese

Shreya Gupta

NMIMS Hyderabad shaped me through moments that challenged, grounded, and strengthened me. It taught me resilience, purpose, and quiet confidence. "Some places don't just teach you, they transform you."

BATCH OF 2024 - 2026

Meghraj Vyas

We walked in as strangers, collected memories instead of sleep, and walked out with friendships that will outlast every assignment and exam.

This chapter shaped not just my career, but also my perspective on life and leadership.

Neeraj thakur

Vedika Rathi

When the time came to leave the cage, we started to fall in love with it.

BATCH OF 2024 - 2026

Yashprit Panesar

I secured a Pre-Placement Offer from Wipro, and NMIMS Hyderabad provided me with my dream career. I will be forever grateful.

NMIMS Hyderabad taught us more than what was written in the syllabus. The best lessons came from friendships, late nights, and moments we never planned.

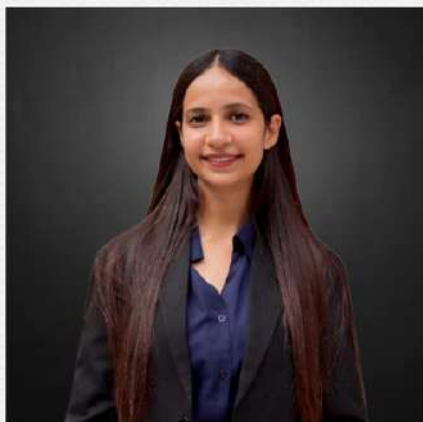

Abhay maroo

Shely Kathotia

I've grown in ways I never expected, and for that, I'll always be grateful to this place.

BATCH OF 2024 - 2026

Sakshi Shukla

NMIMS Hyderabad is where I learned to trust my instincts, think independently, and stay steady when things felt uncertain. It gave me moments that shaped my confidence and clarity. The thought I carry forward: growth begins the day you stop doubting what you're capable of and start acting like you already can. My time at NMIMS Hyderabad is defined by lessons learned beyond the classroom: late-night discussions with friends, challenging group projects, and moments of self-doubt that turned into growth. It taught me resilience, collaboration, and confidence. "Growth begins where comfort ends," a lesson that will always stay with me.

Two years that felt like a rollercoaster, filled with deadlines, growth, and friendships that became family.

What once felt like a remote campus turned into some of my best memories from golgappa breaks and late-night walks to karaoke, birthdays, DJ nights, picnics, and endless hostel fun.

Through all-nighters, case comps, exams, and placements, NMIMS taught me more than subjects-it taught me about people, life, and myself.

T.Vaishnavi

The journey wasn't always easy, but every moment added something valuable to who I am today.

Rahul Motwani

BATCH OF 2024 - 2026

Liza

What started as a degree became a transformation I'll carry for life.

One important lesson that I've learnt throughout my journey at NMIMS is that success comes at its own pace. It might be quick for someone, and it might be slow for someone else. All you need to do is trust the process, have a peaceful mind, and work diligently. "Trust the timing of your life"

Vishnubhotla Sree Mahalakshmi Roopa

Moly Kakrania

NMIMS Hyderabad became the place where challenges turned into confidence, friendships into strength, and every setback into growth.

My biggest lesson: "When you truly show up for yourself, the world opens its doors."

BATCH OF 2024 - 2026

Ishaan Relan

Deadlines pushed me out of my comfort zone. I got comfortable with embarrassment and learned to show up with quiet confidence, even when I wasn't fully sure what I was doing.

NMIMS didn't just teach me MBA or professionalism; it honestly taught me life. I learnt how to deal with uncertainty, understand different people, and respond better in tough situations. These two years have shaped me a lot, and I'll always be grateful for it.

Meghna Nair

Foram Shah

My time at NMIMS Hyderabad has been a beautiful mix of laughter, lessons, and lasting friendships. From unexpected bonds to unforgettable memories, every moment has shaped me. These walls hold not just my growth, but the people and memories I'll carry with me long after I leave.

BATCH OF 2024 - 2026

Juhi Agrawal

Started as a student, leaving as a stronger, wiser version of myself. NMIMS Hyderabad will always remain a chapter of growth. From uncertainty to confidence, this journey shaped who I am becoming.

Somewhere between deadlines, football fields, cricket auctions, internships, and placement rejections, I learned that if you keep working, keep dreaming, and keep showing up, comebacks eventually find you.

Shubham Singh

Rajeti Sreetjea

Leaving with more confidence, stronger friendships, and countless memories that I'll always cherish.

BATCH OF 2024 - 2026

Adarsh Mandhane

If I could go back and relive these two years, I wouldn't change much. Every challenge taught me something, every person left a mark, and every memory became part of who I am today.

I have 2 quotes which capture my journey here: "Growth happens when you step out of your comfort zone" and "Unlearn, Learn, and Relearn."

Madhu Sinchana N U

Nandana Anand

I arrived here as a stranger. I'm leaving with friendships I'll treasure, lessons I'll carry, and memories that will always remind me of where this chapter began.

BATCH OF 2024 - 2026

Shantanu Paradkar

Every late-night deadline, every spontaneous outing, every celebration, and every setback became a small piece of a journey I'll always be grateful for.

Somewhere between deadlines and detours, I found lessons, people, and a version of myself I'm proud to take forward.

Mayura Bhandarkar

Gurdeep Singh Saluja

"Be comfortable being uncomfortable." My time at NMIMS Hyderabad was a journey of challenges, collaboration, and self-discovery. From classrooms to projects, every experience sharpened my perspective, resilience, and readiness for the professional world.

BATCH OF 2024 - 2026

Aakrati Jain

NMIMS Hyderabad changed me in the best way. I found my confidence, my individuality, and learned to set boundaries. I discovered real friendships, celebrated small wins, and it shaped my mindset for managerial roles. Best quote I resonated with “Progress > Perfection.”

This college gave me more than an education. It gave me people who became family, experiences that shaped me, and memories I'll always look back on with a smile."

Ananya

Kommerla Keerthana Rajan

NMIMS Hyderabad taught me that showing up consistently matters more than having it all figured out. Growth came through small wins, meaningful conversations, and learning to trust the process one day at a time.

BATCH OF 2024 - 2026

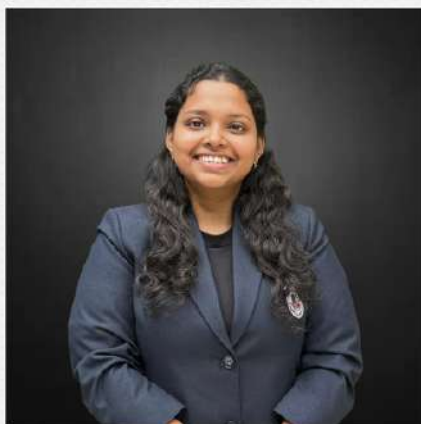

Rudrani Saha

I mastered Excel, survived presentations, lived on coffee, and somehow made memories I'll never stop talking about.

I walked into this campus with uncertainty about what the future held. Today, I'm walking out with confidence, gratitude, and countless stories I'll never stop telling.

Divyansh Jinodiya

Nirmala R

Between case studies, placement prep, and endless deadlines, I found moments that made these two years unforgettable.

BATCH OF 2024 - 2026

Janhavi Mishra

One lesson I learned at NMIMS Hyderabad is that people are not always what they seem. Not everyone who feels close to you is truly meant for you, and sometimes the most genuine people enter your life unexpectedly. It taught me that relationships can change, people can disappoint you, but self-belief should never change. Sometimes being alone is better than forcing connections that are not real. A quote that fits this for me is: "Not everyone who walks with you is with you, and not everyone who comes later is late." This journey taught me to trust myself more, stay strong, and value genuine people.

My time at NMIMS has been amazing. I learned a lot in finance, but hostel life taught me even more like adjusting, sharing, and growing up. Coming from home, this experience was exactly what I needed. There were a few hiccups, but they helped me become more confident and professional. All the time spent with friends and fun in hostel rooms. All the time spent with friends.

Manvi Godavarthy

Anchit Kumar Ghosh

Best Memory: Getting placed in Day 0 company;

Lesson: Growth lies beyond comfort

Quote: NMIMS didn't just prepare me for a career, it shaped how I think, adapt, and lead.

BATCH OF 2024 - 2026

Soumyadip Bandyopadhyay

A lesson what I learnt from the time at NMIMS Hyderabad is that the fastest way to kill your big ideas is to introduce it to a small mind until you did what you wanted to do, don't tell it to anyone. One thing I learnt from MBA is patience, no matter what happens keep your chin up and work, good things take time and always help your friends, support them and celebrate the little wins.

My time at NMIMS Hyderabad was filled with bittersweet moments-highs, lows, and everything in between. After five years of work experience, returning to campus felt refreshing and grounding. One lesson stayed constant: you truly grow through what you go through.

Karishma Malhotra

Astha Khaitan

These two years didn't just prepare me for a career, they changed how I think, choose, and show up in the world. I learned as much from people as from books and that made all the difference.

BATCH OF 2024 - 2026

Aditya Tripathi

These years didn't go the way I planned and that's exactly why they changed me. Lost trust, built discipline, learned to stand alone, and came out stronger than I ever expected.

My journey was a masterclass in people management and emotional resilience. Navigating the shifting tides of human dynamics taught me more than any textbook could. Despite the hurdles, securing my placement felt like a hard-won victory. I'm leaving NMIMS exactly as I intended: fulfilled, transformed, and ready for what's next.

Palak Relhan

Sunanya Tripathi

NMIMS Hyderabad the place where I learned strategy, leadership and that coffee isn't just a drink, it's a group project partner that never lets you down.

BATCH OF 2024 - 2026

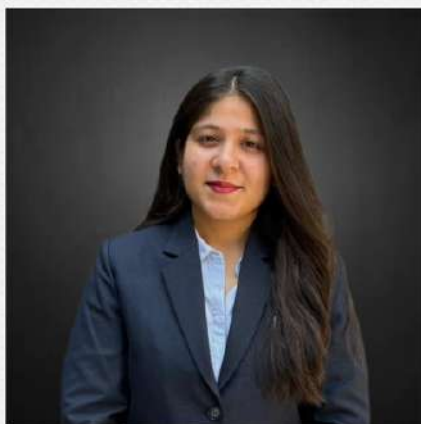

Sneha Poddar Dhar

NMIMS Hyderabad taught me that growth happens outside comfort. Between hostel committee chaos, late-night submissions, placements and learning to stand on my own, I found confidence, resilience, and lifelong curiosity. If there's one line I'll carry forever: 'You don't become ready first you grow into the person who is 'I walked into NMIMS Hyderabad unsure of myself, and I walk out knowing that growth doesn't come from comfort, it comes from pushing through days you didn't think you could handle.

As I leave this campus, I know I'm taking much more than a degree with me. I'm taking the people, the laughter, the lessons, and a little piece of this place wherever life takes me next.

Aarya Agnihotri

Tulika Sharma

Remember when we thought 2 years were too long- turns out, they weren't enough. At NMIMS Hyderabad, I learned to embrace uncertainty, think beyond numbers, stay resilient through chaos, and value people who made the journey meaningful beyond just academics.

BATCH OF 2024 - 2026

Mohit Awasthi

At NMIMS Hyderabad, I learned that growth lies outside comfort zones through intense projects, teamwork, and constant feedback. As the quote goes- "Pressure creates diamonds." It shaped my resilience, clarity of thought, and ability to perform under uncertainty.

NMIMS Hyderabad constantly pushed me out of my comfort zone through presentations, projects, and deadlines. One key lesson I take with me is that growth comes from discomfort. I also learned that people and priorities change over time, which taught me to stay independent, adaptable, and focused on my own personal and professional growth.

Priyanshi Choudhary

Simran Gupta

My journey at NMIMS Hyderabad went beyond classroom, shaping me through challenges that became valuable learning experiences. Working with diverse peers and managing pressure helped me grow personally and professionally. I developed resilience, accountability, and adaptability, learning to take initiative, embrace challenges, and continuously improve with a strong growth mindset.

BATCH OF 2024 - 2026

Shreyansh Dasore

NMIMS Hyderabad shaped me through everyday learning, lectures, late-night discussions, teamwork, failures, and small wins. These experiences transformed me not only into a better professional but also a more patient, confident, and self-aware human being.

Somewhere between lectures, endless presentations, and late-night conversations, I found friendships and memories that I'll carry with me for a lifetime.

Sai Sahana

Soumya Mishra

Here's to the presentations we survived, the friendships we found, and the dreams we're taking with us.

BATCH OF 2024 - 2026

Sejal Nandgaonkar

NMIMS Hyderabad wasn't just a campus , it was a mirror. It showed me my strengths, exposed my weaknesses, and reminded me that growth feels uncomfortable before it feels right. A quote that sums it up-The version of me that joined NMIMS would be proud of the one walking out.

Risks taken. Returns loading.

These years shaped my patience, confidence, and perspective. Grateful for the lessons, the people, and the belief that growth always rewards consistency. Not rushed, not lost, just growing. More than learnings, an MBA gives you perspective on life and your path ahead. And in the end, you realize that growth always follows consistency.

Sona Bagga

MBA is about turning ideas into impact. At NMIMS Hyderabad, case studies and presentations mirrored real industry challenges- requiring data-driven decisions and stakeholder alignment. My biggest lesson- Strategy sets direction, but execution creates value. Hands on simulations trained me to bridge the gap between ideas and real business outcome.

Bakhtawar Singh

BATCH OF 2024 - 2026

Manan Mehta

I learned that most delays are self-created, waiting for perfect clarity, perfect timing, or perfect confidence. None of them arrive. Work moves only when you decide it moves.

Filled forms of 20 companies, gave 11 interviews and 5 final rounds. Waking up with a winning mentality is the most important thing, work hard because that's the only thing required. Consistency and perseverance is the key, nothing else.

Rajjyoti Bhattacharjee

Niharika Saini

“Look beyond what’s obvious.”- a simple line by Abhilash sir, yet one that quietly reshaped my entire perspective. It pushed me to think independently, challenge assumptions, and find meaning where others might stop looking. It’s a mindset I’ll carry forward, long after NMIMS, as a constant reminder that true understanding always lies just beyond the obvious.

BATCH OF 2024 - 2026

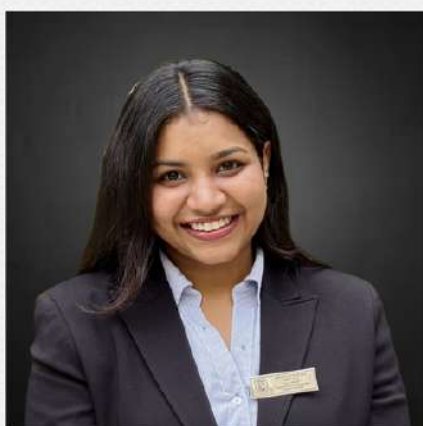

Preethi Ilango

From a nervous newcomer to a ready-to-lead professional, NMIMS was the place where I grew professionally and gained my tribe for the journey ahead.

NMIMS Hyderabad taught me to never get too comfortable in my own space. The biggest growth came from taking hard left turns, trying things that scared me. "Comfort zones are great, but nothing ever grows there." Try everything, fail often, then choose what gives you the most joy, and get back up stronger every time!

Nikshita Dash

Bhargavi Rustagi

Trust the process. It will test you, it will break you but in the end, it will heal you. The last 50 days of this MBA journey when we promised, "Yes, we'll ALWAYS be together, no matter what," to the closest of our friends, the days we silently wished we could pause time and live in that moment just a little longer. The hugs that felt like hot coffee on a winter morning, warming parts of us we didn't even know were cold. The laughter, the chaos, the comfort and the people who slowly stopped being classmates and started feeling like home.

BATCH OF 2024 - 2026

Avni Bhandari

The person who walked in on Day One and the person walking out today are two very different people.

NMIMS Hyderabad changed me a lot as a person. I became more confident and stepped out of my comfort zone. Becoming Co-Head of Skylar and speaking in front of 200 people is something I never thought I could do before

Pratham Thareja

Prerana R Kumar

I came here hoping to build a career, but I ended up building a version of myself I'm proud of. That's the greatest takeaway of all.

BATCH OF 2024 - 2026

Urvashi Vashist

It has been about learning, unlearning, growing every day in all aspects of life, things that can be taught not through books but through interaction with students who come from all all place from India.

I thought I was here to build a future. Instead, I learned how to sit with the present. In that stillness came clarity, confidence, and direction. Everything else followed, quietly and on its own time. A degree, a personality upgrade, and a tolerance for chaos. Not bad for two years. Came for an MBA, stayed for the friendships and last-minute brilliance. Somewhere between deadlines and discussions, I grew up a little. "Turns out, the real ROI was perspective.

Rashi Kudesia

Anshi Tiwari

In NMIMS Hyderabad, I stopped waiting for direction and started building my own.

BATCH OF 2024 - 2026

Khushi Hasija

The journey wasn't always easy, but every challenge added something valuable to my story. Today, I leave with gratitude and countless memories.

One lesson that represents my life at NMIMS is that there will be times when it feels like all your efforts are going to waste, but you must trust the process and keep moving forward.

Yash Maheshwari

Shoham Sengupta

Always have faith in the process, even if you stray from the path, eventually you will reach your destination if you stay true to yourself. Fortune favours the brave

BATCH OF 2024 - 2026

Aayush Deora

From late night study huddles to early walks, from intense carrom and badminton games to endless conversations NMIMS Hyderabad became more than a campus. It became home.

Growth wasn't just in grades, but in friendships, resilience, and the little moments we lived every day.

I started my MBA dreaming of a degree and a job. Somewhere between the struggles, academics, friendships, and experiences with clubs and committees, NMIMS became more than just a college. Leaving with what I once dreamed of brings satisfaction, but saying goodbye to these memories is truly emotional.

Zeel Fadia

Aryan Chandra

From nervous first days to confident final presentations, I've come a long way. NMIMS has been the backdrop to some of my best years.

BATCH OF 2024 - 2026

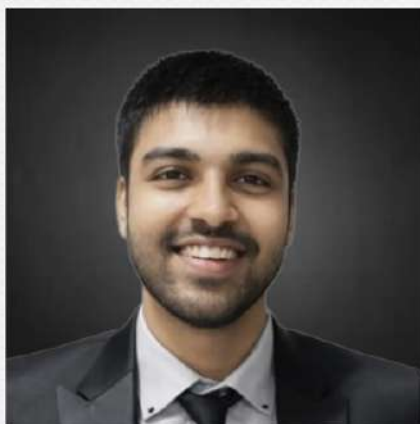

Deepanshu mangal

There were stressful days, unforgettable celebrations, and countless moments in between. Looking back, every single one was worth it.

It's been a journey of confidence, learning and self-discovery.

Nishi Agrawal

Siddhanth Agrawal

I'll remember this place not for the deadlines or exams, but for the people, the growth, and the memories that made these years truly special.

BATCH OF 2024 - 2026

Khushi Kondo

Never give up until all your dreams come to reality

MBA not only made me Improve in Studies, but It taught me about life. It made me learn who you can count on when you need it the most and who you shouldn't. Also you should rely more your Instinct and gut feeling than taking other people on there word. NMIMS teaches you one of two things. It educates you or it humbles you!

Atharva Loya
